SPICE SONGS

** Recorded by the first line-up of Spice and released as a single in 1968, included on A TIME OF REVELATION compilation.*

*** Recorded in late 1969 by Spice. Some of the tracks recorded before Ken Hensley joined the group made it to the first Uriah Heep album but these remained in the vaults until they were released on THE LANSDOWNE TAPES compilation in 1993.*

WHAT ABOUT THE MUSIC *

I don't mind talking, girl
But there's a time and place
Right now we're alone, yeah
But it's just gone to waste

Look up and see the moon
Slide down the clouds
The radio is playing softly now
So if you talk above a wisdom
It's too loud

What about the music, babe
What about the moon
It's a shame if we talk music
We'll be leaving soon

You keep on talking, girl
We can talk on the phone
We should be kissing, babe
Now that we're alone

Though when they're singing
Love songs to the moon
You know it's love
That makes the flowers bloom
But you keep saying things you
Could tell me in a crowded room

What about the music, yeah
What about the moon, babe
It's a shame if we talk music
We'll be leaving soon

What about the music
Sweet soul music
What about the moon
Hey, what about the moon, babe
We are loving and I can't lose it
We'll be leaving soon

What about the music, yeah
What about the moon
I said it's a shame if we talk music
We'll be leaving soon

What about the music, yeah
What about the moon
It's a shame if we talk music
We'll be leaving soon

What about the music, yeah
What about the moon
It's a shame if we talk music
We'll be leaving soon

What about the music
What about the moon
It's a shame if we talk music
We'll be leaving soon

IN LOVE *

Whether she'll come, I could not say
We made the date just the other day
Well, here she comes
All dressed in white
She looks so nice
She'll last the night

In love
Perhaps it will last until dawn
In love
Or untill that we two are one
In love
Oh, I'm old and she is so young
In love, in love, in love

I asked her if she'd come out again
She said she likes such mature men
Yes, she did
She says that I'm so nice and strong
I'm getting through, it won't be long

In love
With her hands caressing my face
In love
I'm so glad I've got my own place
In love
She must be of very bad taste
In love, in love, in love

There must come a time
Even for me
But all this happens so suddenly
So quick
It's very hard for me to say
But can this be the only way

In love
I can't think of anyone who
In love
Could make me feel like I do
In love
We'll start our lives anew
In love, in love, in love
In love ...

CELEBRATE **

Celebrate, celebrate
Dance to the music
Celebrate, celebrate
Dance to the music
Celebrate, celebrate
Dance to the music
Celebrate, celebrate
Dance to the music

Slippin' away, sittin' on a pillow
Waitin' for night to fall
Girl in a dream, sittin' on a pillow
This is the night
We're going to the celebrity ball

Satin and lace, isn't it a pity
Didn't find time to call
Ready or not
Gonna make it to the city
This is the night
We're going to the celebrity ball

Dress up tonight, why be lonely
You'll stay at home
And you'll be alone
So why be lonely

Celebrate, celebrate
Dance to the music
Celebrate, celebrate
Dance to the music
Celebrate, celebrate
Dance to the music
Celebrate, celebrate
Dance to the music

Sittin' alone, sittin' on a pillow
Waitin' to climb the wall
Maybe tonight
Wherever your dream goes
Woman alive
We're going to the celebrity ball

Dress up tonight, why be lonely
You'll stay at home
And you'll be alone
So why be lonely

Celebrate, celebrate
Dance to the music
Celebrate, celebrate
Dance to the music
Celebrate, celebrate
Dance to the music
Celebrate, celebrate

Celebrate, celebrate ...

SCHOOLGIRL **

Everyone said that you'd always
Been left but you got there
Here we are now when
The rest of the show are not there

Nobody knows by the look of
Your clothes you're a schoolgirl
Who would've guessed
By the way that you're dressed
You're a schoolgirl

You said on my lap that
I wasn't the right kind of person
What I wanna know is that
Who in the show I am worse than

Who would've guessed
By the way that you're dressed
You're a schoolgirl
Nobody knows by the look of
Your clothes you're a schoolgirl
Oh, schoolgirl

Looking for something
That you can't have
Looking for something
That you can't have

You said on my lap that
I wasn't the right kind of person
What I wanna know is that
Who in the show I am worse than
But who would've guessed
By the way that you're dressed
You're a schoolgirl
And nobody knows by the look of
Your clothes you're a schoolgirl
Oh, schoolgirl

Looking for something
That you can't have
Looking for something
That you can't have

Listen!
Everyone said that you'd always
Been left but you got there
Here we are now when
The rest of the show are not there
Nobody knows by the look of
Your clothes you're a schoolgirl
Who would've guessed
By the way that you're dressed
You're a schoolgirl
Oh, schoolgirl

MAGIC LANTERN **

When you look inside
My magic lantern
All the world is yet unseen
Try to gaze into
The yellow glowing
To get a reflection of me

In a land of make believe and magic
You can be just anything you feel
You think that what you're in is a dream
But know that the lantern is viewing

View the magic lantern
Take a trip around the world
View the magic lantern
There's a thousand mysteries unfurled
And I know one of them

I remember your face
Can't remember the place
Here on our own, living alone

You can dream that you're
A man of power
Ready to be happy with your gold
Without love your mind is going sour
Money's no good when you're old

View the magic lantern
You can have the sky above
Yeah, the magic lantern
You'll buy everything but love
Everything but love

ASTRANAZA **

Hey girl, you're the one
That got me started
And I bet you'll be
The one to get us parted

In the beginning, in the beginning
You were the only one
In the beginning, in the beginning
Now everybody's had their fun

How I'm wishing
We could live together
Ooh, but the answer
In your eyes is never

In the beginning, in the beginning
You were the only one
In the beginning, in the beginning
Everybody's had their fun

Well, you and me
And we know what we're saying
To the rest of them
It's a game we're playing

In the beginning, in the beginning
We were the only one
In the beginning, in the beginning
Everybody else will come

How I'm wishing
We could live together
Ooh, but the answer in your eyes
Is never, never

In the beginning, in the beginning
You were the only one
In the beginning, in the beginning
Or the mother of my son

In the beginning, in the beginning
You were the only one
In the beginning, in the beginning
Everybody had their fun

How I'm wishing
We could live together
But the answer in your eyes is never

In the beginning, in the beginning
You were the only one
In the beginning, in the beginning
Everybody had their fun

You and me
And we know what we're saying
To the rest of them
It's a game we're playing

In the beginning, in the beginning
We were the only one
In the beginning, in the beginning
Or the mother of my son

In the beginning, in the beginning
You were the only one
In the beginning, in the beginning
Everybody had their fun

Like Astranaza

Astranaza ...

BORN IN A TRUNK **

You were born in a trunk
Everyone talkin' about you
You were born in a trunk
Where would they be without you

You better move off the rails
People begin to look subways
You better move off the rails
You won't even listen to my way

I'm livin' in shame
People say I don't matter
I'm livin' in shame

You were born in a trunk
Everyone talkin' about you
You were born in a trunk
Where would they be without you

You better move off the rails
People begin to look subways
You better move off the rails
You won't even listen to my way

I WANT YOU BABE **

Oh, I want you babe
I want you all to myself

And now and then I'm gonna hold you
Tell you that I'm gonna love you
Come with me and I will show you
In a while I'll get to know you

Oh, you know I needed you woman
I needed you, I needed you
Every day and night, right

Now and then I'm gonna hold you
Tell you that I'm gonna love you
Come with me and I will show you
In a while I'll get to know you

Well, you know what
The secret's I guess
And you think you know
Who your lover's wife is

So you better stop
That thing you're doing
Baby, you're driving me, driving me
Driving me to my ruins
But I, I want you babe

When I was a young man
Always trying to say hello babe
But you'd never know
You live in want
Never knowing that I existed
Till my mind was twisted
I was always trying, sometimes crying
Oh, I needed you
Needed you, needed you
Oh, I needed you
Needed you, needed you
Oh, I needed you
Needed you, needed you

Stop that thing that you're doing
Baby, you're driving me, driving me
Driving me to my ruins
Oh, I want you babe

I needed you, I needed you
Every single day of my entire life
And everytime I tried
Someone else would come along
There it went again

But now and then I'm gonna hold you
Tell you that I'm gonna love you
Come with me and I will show you
In a while I'll get to know you
You and me we're gonna make it
Come with me, we mustn't break it

**... VERY 'EAVY ... VERY
'UMBLE / URIAH HEEP
1970**

GYPSY

I was only seventeen
I fell in love with a gypsy queen
She told me: "Hold on"

Her father was the leading man
Said: "You're not welcome on our land"
And then as a foe, he told me to go

He took me to a little shack
And put a whip across my back
Then told her: "Leave me"

I was out for quite a time
Came back with her on my mind
Sweet little girl
She means all the world

Oh, I want my gypsy queen
Will she still be torn between
Her father and lover

One day I will go to him
Strong enough to fight and win
The kind of a man
That he'll understand

**WALKING IN YOUR
SHADOW**

I'm walking in your shadow
Ever since you went away
And the clock on the wall
Really hasn't very much to say
Oh, you left me bleeding
And left me needing you

In so very many ways
I was trying to attract your mind
But I'm the lonely one
'Cause I've had to leave it all behind

Lied and deceiving
Why should I be grieving you

Ride on a golden wave
Set sail for the sun
Make every cloud your slave
Don't be alone

When I get back from my trip
Of the ocean wide
Still walking in your shadow
And still looking for somewhere to hide

If I am worse off
It's all because of you
It's all because of you

Ride on a golden wave
Set sail for the sun
Make every cloud your slave
Don't be alone

When I get back from my trip
Of the ocean wide
Still walking in your shadow
And still looking for somewhere to hide

If I am worse off
It's all because of you
It's all because of you, yeah

COME AWAY MELINDA

Daddy, daddy, come and look
See what I have found
A little ways away from here
While digging in the ground

Come away Melinda
Come in and close the door
It's nothing, just a picture-book
They had before the war

Daddy, daddy, come and see
Daddy, come and look
Why, there's four or five
Little Melinda girls
Inside my picture book

Come away Melinda
Come in and close the door
There were lots of little girls like you
Before they had the war

Oh Daddy, daddy, come and see
Daddy, hurry do
Why, there's someone
In a pretty dress
She's all grown up like you
Won't you tell me why

Come away Melinda
Come in and close the door
That someone is your Mummy
You had before the war

Daddy, daddy, tell me if you can
Why can't things be
The way they were
Before the war began

Come away Melinda
Come in and close the door
The answer lies in yesterday
Before they had the war

LUCY BLUES

Not included on North American versions

Well, the very first time
I saw you darling
Not one single word
Would come to my lips

Yes, the very first time
I saw you darling
Not one single word
Would come to my lips

You see, I was so afraid
You wouldn't love me
I wanna tell you right now
I was frightened right down
To my fingertips

So baby, when you went away
That unlucky day last September
I was like a little lost boy
In the wilderness

Baby baby baby ...
When you went away, oh yeah
I was like a little lost boy
In the wilderness

And I've just been sitting here
Thinking of everybody
I've ever known

Well, you know
I still love you the best
Yeah, the best

DREAMMARE

Grinning demons, smiling sideways
Laughing in my face
Here within my troubled sleep
There's such a lonely place
Running fast but never moving
I can't get away
Strange but realistic objects
Making me their prey

Then it's gone as fast as it came
Evil dream
Changing like the sun turn to rain
It would seem

La la la la ...

Dining with the gods of beauty
On a distant shore
Tasting fruits of untold sweetness
Never seen before
Dancing stars with crystal voices
Beckon with their eyes
Unicorn of many colours
Rides to paradise

Then it's gone as fast as it came
Peaceful scene
Changing like the sun turns to rain
It would seem

La la la la ...

Sleepless nights that last a lifetime
Crucify my head
Dreams of peace and then disaster
Wish that I were dead
Looking for the end of darkness
Seeking out the day
For escape with speed unthought of
Bearing me away

Then it's gone as fast as it came
Evil dream
Changing like the sun turn to rain
It would seem

La la la la ...

Come into my dream, yeah

REAL TURNED ON

Girl, before you go now
There's one thing I wanted to do
That's get you to come back
Because I wanna make love to you

Got me real turned on
Yes, you have

But there's something in your eyes
Telling me you have to go
Something in your eyes
But you're trying not to let it show

Got me real turned on

Next time you come over
I'll buy you a bottle of wine
Just take a little drink
And everything will turn out fine
Yes, it will

Whoa baby, do you know
What I've got in mind
Can you guess what it is
Or do you want it on the line

Got me real turned
Got me real turned
Got me real turned
Got me real turned on

I'LL KEEP ON TRYING

You came to me
With all of your lies
And I was taken in so well
It took me quite a time
To see the disguise
You made it very hard to tell
Now here you are again
But you're begging in vain
'Cause I really don't want to know

You came to me
With a little bit of charm
You had me down on my knees
I didn't really think
There was any harm
But all you ever did was tease
You took all the love
That I ever had to give
There was nothing left to show

Well, I remember everything
Everything around me
The long dark of winter
Till the breath of spring
Came close enough to drown me

So I'm gonna keep on trying
Till I feel like dying
And I lay down and pass away
But that won't happen till tomorrow
And by then I can
Borrow another day
So I'm gonna keep on trying

You came to me
With a little bit of charm
You had me down on my knees
I didn't really think
There was any harm
But all you ever did was tease
You took all the love
That I ever had to give
There was nothing left to show

WAKE UP (Set Your Sights)

Album version

Wake up, set your sights
For never shall we fail
Stand up for your rights
And justice will prevail

You're listening
Through endless nights
And decision is your goal
So wake up, set your sights
Oh, the time is right for your role
Yeah, for your role

Wake up, wake up, wake up
Set your sights
Never, never, never
Shall we fail
Stand up, stand up, stand up
For your rights
Justice, justice, justice
Will prevail

There in the morning
Flying over the hills
While men are yawning
They are crushed by our wills
Never have I witnessed
People in fear
Not like today
Not in many a year

Go kill another
There are more close behind
"No" screams a mother
"Are you out of your mind"
Though they are shattered
They just don't seem to yield
Bodies are scattered
In all parts of the field

Oh no, did I tell you
What would happen if you tried
"Oh god, stop this killing!"
Said a young man
Before he died

Wake up, set your sights
For never shall we fail
Stand up for your rights
And justice will prevail

ADDITIONAL SONGS:

BIRD OF PREY (original version)

B-side of 'Gypsy' single in Europe, appeared also on North American versions of the first album replacing 'Lucy Blues'. This version has slightly different lyrics than the SALISBURY version.

I can see that look that says beware
Try to move in closer if you dare
So I will sit and play my waiting game
And for a while I know she'll do the same
Oh no!

Watches like an eagle from its tree
And like a bird of prey she captures me
But I am older and more wise than you
Bird of prey, straight into me you flew
Oh no!

Now every time
I tried to set her free
I'm glad to say
She comes right back to me
But if I knew
She didn't want to stay
I wouldn't try to keep
That lovely bird of prey

SALISBURY 1971

BIRD OF PREY

*Included on the North American versions
of the first album replacing 'Lucy Blues',
elsewhere in the world on SALISBURY.*

I can see that look that says beware
Try to move in closer if you dare
So I must sit and play my waiting game
And for a while I know she'll do the same
Fly away

Watches like an eagle from its eyrie
And like a bird of prey she captures me
But I am older and more wise than you
Bird of prey straight into me you flew
Fly away

Now every time
I tried to set her free
I'm glad to say
She comes right back to me
But if I knew
She didn't want to stay
I wouldn't try to keep
That lovely bird of prey

THE PARK

Let me walk a while alone
Among the sacred rocks and stones
Let me look in vain belief
Upon the beauty of each leaf

There is green in every blade
The tree tops lean, providing shade
Maypoles spin in happy sound
All nature's strength around

And there's a horse that feels no pain
Its iron strength to take the strain
Children rock it to and fro
And gaily drink its colour-glow

Ah ah ah ...

Above, the sky, devoid of cloud
Thinks not to cast a thunder shroud
Upon this place so full of joy
A field of gold of loves employ

Ah ah ah ...

So, why my heavy heart? You say
When tears would stain
The sights so gay
My brother's dreams once here did soar
Until he died at the hand
Of needless war

Ah ah ah ...

TIME TO LIVE

Let me see the sunshine
Let me feel the rain
Let me go where I wanna go
I wanna smell the flowers
See the dawn again
Find those friends I used to know
Find those friends I used to know

Well, I spent twenty long years
In a dirty old prison cell
I never saw the light of day
If you could understand
Oh, that kind of living hell
That's the price I have to pay, oh yeah
That's the price I have to pay

Oh yeah!
Oh! Oh!

They say I killed a man
But I never told them why
So you can guess
What I've been through
So for twenty long years
I've been thinking of that other guy
And what I saw him do to you
What I saw him do to you

Listen here:
So if tomorrow comes
And I walk outside that door
Try to understand the strain
But if you smile that smile
I know I couldn't ask for more
I know I'd do it all again
Yes, I would
I know I'd do it all again

Yeah, oh yeah ...
Do it all again ...

LADY IN BLACK

She came to me one morning
One lonely Sunday morning
Her long hair flowing
In the midwinter wind
I know not how she found me
For in darkness I was walking
And destruction lay around me
From a fight I could not win

Ah ah ah ...

She asked me name my foe then
I said the need within some men
To fight and kill their brothers
Without thought of love or God
And I begged her give me horses
To trample down my enemies
So eager was my passion
To devour this waste of life

Ah ah ah ...

But she wouldn't think of battle that
Reduces men to animals
So easy to begin
And yet impossible to end
For she's the mother of all men
Who counselled me so wisely then
I feared to walk alone again
And asked if she would stay

Ah ah ah ...

Oh lady lend your hand outright
And let me rest here at your side
Have faith and trust
In peace she said
And filled my heart with life
There is no strength in numbers
Have no such misconception
But when you need me
Be assured I won't be far away

Ah ah ah ...

Thus having spoke she turned away
And though I found no words to say
I stood and watched until I saw
Her black coat disappear
My labour is no easier
But now I know I'm not alone
I find new heart each time
I think upon that windy day

And if one day she comes to you
Drink deeply from her words so wise
Take courage from her
As your prize
And say hello from me

Ah ah ah ...

HIGH PRIESTESS

You, who brought
The sunshine to my eyes
You, who wondered
Through my sad disguise
And I have a love
That cannot die ...
For you

High priestess of my heart
Tell me that we won't part

Then let's get together in the sky
To leave the lonely world
To wonder why
For we have a love
We can't denie ...
So true

High priestess of my heart
Tell me that we won't part

SALISBURY

Album version

Somewhere in your eyes
That very special glow
Something drawing me
To where I do not know
I never really thought
That I would lose myself
Now I'm going faster
Than anybody else

You move without a sound
And touch me with your hand
Just like the rain that fondles
Every grain of sand
This thing we're gonna do
It's just for you and me
I'm gonna make it good
Good as it can be

Your kiss is sweeter now
Your breath is getting warm
We must take our time
And last it through til dawn
I wonder will it be
Oh, I expect it to
There have been other girls
No-one else like you

I feel a power here
I never felt before
And I begin to see
What drives us to want more
Oh, girl of all my dreams
Please tell me if I'm wrong
Because I've been blue
But we belong, oh!

Somewhere in your eyes
That very special glow
Something drawing me
To where I do not know
I never really thought
That I would lose myself
But now I'm going faster
Than anybody else

You move without a sound
And touch me with your hand
Just like the waves that fondle
Every little grain of sand
This thing we're gonna do
It's just for you and me
And I'm gonna make it good
Just you wait and see, oh

Somewhere in your eyes
That very special glow
Something drawing me
To where I do not know
I never really thought
That I would lose myself
Now I'm going faster
Than anybody else

You move without a sound
And touch me with your hand
Just like the rain that fondles
Every grain of sand
This thing we're gonna do
It's just for you and me

I never felt before
And I begin to see
What drives us to want more
Oh, girl of all my dreams
Please tell me if I'm wrong
Because I've been blue
But we belong, oh

As time passed and all too fast
I just knew we couldn't last
And I guessed that the end
Was near at hand
Though we tried our love inside
It just crumpled up and died
What went wrong
I will never understand
You tell me why

Alone again
How could you leave me
Alone again
I don't want to be
Alone again, yeah

There's a line in a rhyme
I was going to send to you
It says: "All that is to be
Will surely be"
So oh, though you had to go
'Cause you needed someone new
Is there still a chance
That you'll come back to me
I want you back you see

Alone again
How could you leave me
Alone again
How could you leave me
Alone again
I don't wanna be alone again, yeah

Somewhere in your eyes
That very special glow
Something drawing me
To where I do not know
I never really thought
That I would lose myself
But now I'm going faster
Than anybody else

You move without a sound
And touch me with your hand
Just like the waves that fondle
Every little grain of sand
This thing we're gonna do
It's just for you and me
And I'm gonna make it good
Just you wait and see, oh

Freed of empty faces
Give me your money
Make my life sunny for a day
Road that leads to nowhere
Please stop your crying
I ain't fit for dying this way

Go steal another with your eye
Go try some other heartless lie

Land of hopeless speaking
Bringing back the moon
Don't play your silly games with me
Oh, war of wasted daydream
What is your need
I'm gonna bleed until you kill me

You've lost all sight of your direction
You're only looking for the next one
The next one to kill

Ashes of destruction
Spread out so far
Blackened others crying over me
See a one time city
Now just a scar
Tears of the flower man
Fill the sea

Give me a chance to fly away
There's nothing here for me today
Today

HERE AM I

*Out-take, released for the first time on
THE LANSDOWNE TAPES compilation.
Included as a bonus track on remastered
SALISBURY cd.*

I sit in my sunny chair
With my head held low
I know the reason I'm dreaming

It's really been fun
But where is there left to go
Save to give my life a new meaning

And if by chance you'd come my way
I'll have to say:
Here am I, give me love
Here am I, give me love

How was I to know
Your heart was unsatisfied
When you never troubled to tell me

No wish that you made to me
Ever was denied
I played it just the way
That it should be

But then you turned and walked away
I have to say:
Here am I, give me love
Here am I, give me love

Here am I, give me love

I imagine I must sit here
Till the winter comes
And just watch the days
Growing shorter
To gather in dust won't go
Till my thinking's done
And I walk from this troubled water

By then my need won't be so bad
And I'll gladly say
Here am I, give me love
Here am I, give me love

**LOOK AT YOURSELF
1971**

LOOK AT YOURSELF

I see you running
Don't know what
You're running from
Nobody's coming
What'd you do
That was so wrong

Look back and turn back
Look at yourself
Don't be afraid, just
Look at yourself

If you need assistance
Or if all you need is love
There's no point in hiding
Tell me what
You're frightened of

You've got a friend, just
Look at yourself
Don't be afraid, just
Look at yourself

Look back and turn back
Look at yourself
Don't be afraid, just
Look at yourself

I WANNA BE FREE

As I wake up everyday
With no new songs to play
Feeling like I ought to

Pack my bag and run

My imagination flies
To some other sunny skies
Where I felt so good
And everything was done

And my time was my own
And my heart felt so free, come on!

I don't mind a little rain
But it doesn't seem the same
When the clouds shut out
Your beauty from my eyes
There's a storm inside my head
And I know it doesn't lead
To a clearer day
When nobody will cry

I can't stand here alone
And I need to be free, free!

So bring fire and bring steel
For you know the way I feel
Bring a silver horse
To carry me away

I'm no stranger, I'm a friend
And my pain will never end
Till the world will let us
Live our lives as one

And our time is our own
And our hearts can be free

I wanna be free, yeah ...
I wanna be free ...
I gotta be free ...

JULY MORNING

Album version

There I was on a July morning
Looking for love
With the strength
Of a new day dawning
And the beautiful sun

At the sound
Of the first bird singing
I was leaving for home
With the storm
And the night behind me
And a road of my own

With the day came the resolution
I'll be looking for you
La la la la ...

I was looking for love
In the strangest places
Wasn't a stone
That I left unturned

Must have tried more
Than a thousand faces
But not one was aware
Of the fire that burned

In my heart, in my mind, in my soul
La la la la ...

In my heart, in my mind, in my soul
La la la la ...

There I was on a July morning
I was looking for love
With the strength
Of a new day dawning
And the beautiful sun

And at the sound
Of the first bird singing
I was leaving for home
With the storm
And the night behind me
Yeah, and a road of my own

With the day came the resolution
I'll be looking for you
La la la la ...

TEARS IN MY EYES

I thought no-one could keep us
From sharing the rest of our lives
Like a fool I believed you were true
And had no disguise

There's a clear blue sky outside
And the summer is fine
But with tears in my eyes
I'm no longer
Pretending you're mine

It's the same weary story
Of a woman abusing her man
So I have to forget you
Though I'm not even sure if I can

There's a clear blue sky outside
And the summer is fine
But with tears in my eyes
I'm no longer
Pretending you're mine

La la la ...

Watch out!
It's the same weary story
Of a woman abusing her man
So I have to forget you
Though I'm not even sure if I can

There's a clear blue sky outside
And the summer is fine
But with tears in my eyes
I'm no longer
Pretending you're mine

SHADOWS OF GRIEF

You're looking at me
Like I must be mad
But I've been through all this before
You'll kick and kick until I'm down
So don't think you're
Comin' past my door, oh no

You think that love is such a pain
So the more it hurts
The more you laugh
Just take it and shake it up and down
Till you think you've had enough
But you won't get enough of my love

If you want to carry on
In the same old way
Treating everyone like a piece of dirt
Just take it and break it
And throw it away
There won't be anyone left to hurt

North, South, East and West
Wherever you go
You'll find the same
And the only way you'll ever learn
Is to realize that you're to blame

WHAT SHOULD BE DONE

So you think
You found a way of living
That prevents
You losing any sleep
Well, my friend
Take this that I'm giving
It's your piece of mind
You oughta keep

You'll run into trouble for sure
By living behind a locked door

Will you run the risk
Of being taunted
By doing what you wanna do
Or do you prefer to have
Your whole life haunted
By the ones who
Choose to care for you

Beware of their motives my friend
Take care
You're still there at the end

Watch out for winter
It'll bite you with cold
Black spirits trying hard
To bribe you with gold

Would you steal a nickel
From a blind man
Well, right now
I do believe you would
It's not the thought of you
Doing it that hurts me
It's the mind behind it
What's no good

If this is your way
I don't wanna know
It's only so far I can go

I won't go no further
Not for you or anyone
I have my own ideas on
What should be done

What should be done ...

LOVE MACHINE

Lovely little lady
You got me on the run
You're a love machine
And you say that I'm your gun

But I don't care
'Cause I've got to know

She said she were a loser
The kind that came off worse
So I had to try hard
To satisfy your thirst

But I don't care
'Cause I've got to know

The only time she's happy
Is when the bullets fly
And she'll make you
Feel you're better
Than any other guy

And I don't care
'Cause I've got to know

Lovely little lady
You got me on the run
You're a love machine
And I'm trying to be your gun

And I don't care
'Cause I've got to know

WHAT'S WITHIN MY HEART

Out-take, released for the first time on THE LANSDOWNE TAPES compilation. Included as a bonus track on remastered LOOK AT YOURSELF cd.

Will I never see again
The smiling faces of my friends
Could it be they've gone completely
And though thoughts will linger
Sweetly in my heart

May I hear once more
The bird calls my name
May I be permitted just one friend
To share my game

The one who doesn't give a damn
For what I seem to be
And really cares for what I am
And what's within my heart

I believe the sun will shine
And I know that given time
The leaves will blow tumble
And cry upon the autumn stone below

And my heart grows tired each day
As the sun grow cold
Weary uninspired each day
Til the story is told

You gave your love to one
Who only wants what you seem to be
And doesn't really care for you
Or what's within your heart

On my grave lay one black rose
Do this for me but don't suppose
Because I'm gone, my soul is dead
For I'll be here in spirit
And our love once more

There must be a heart somewhere
In need of the love I have
That will reach out in sincerity
And take my life in hand

Then I'll know it's not someone
Who wants just what I seem to be
The one who cares for what I am
And what's within my heart

What's within my heart ...

WHY (11.18 min version)

Out-take, released for the first time on THE LANSDOWNE TAPES compilation. This version has slightly different lyrics than the single b-side version.

Thought of no tomorrow
The pain, tears and sorrow
And you never told me why
The way you cheated
And mistreated
You could never tell me why

But I'm gonna find out
I'm gonna find out
What's been messing up your mind
Messing up your mind

Is there any true reason
Or anything I can explain
Can't we talk about it baby
Get together again
You see, I have the feeling
That this isn't the end
And I feel it knowing
On you I depend

I'm gonna find out
Yeah, I'm gonna find out
What has been
Messing up your mind

Perhaps it's best for us
To stay together
And try to live our lives as one
And maybe we will find
We're still together
To watch the setting of the sun

DEMONS AND WIZARDS 1972

THE WIZARD

He was the wizard
Of a thousand kings
And I chanced to meet him
One night wandering
He told me tales
And he drank my wine
Me and my magic man
Kinda feeling fine

He had a cloak of gold
And eyes of fire
And as he spoke
I felt a deep desire
To free the world
Of its fear and pain
And help the people
To feel free again

Why don't we listen to
The voices in our hearts
'Cause then I know we'd find
We're not so far apart
Everybody's got to be happy
Everyone should sing
For we know the joy of life
The peace that love can bring

So spoke the wizard
In his mountain home
The vision of his wisdom
Means we'll never be alone
And I will dream of my magic night
And a million silver stars
That guide me with their light

Ah ah ah ...

TRAVELLER IN TIME

Every day I have to look to the sun
To see where it was that
I have come from
I have a feeling that
There must be a time

When I'll get a chance to go home
'Cause I'm so tired
Of being here alone
But I'm just a traveller in time
Trying so hard to pay for my crime

If I could go back
The same way I got here
And see the people that
I once held so near
I'd do my best to
Find an answer for you

But first I must wait till I'm set free
And I don't know
How long that's gonna be
'Cause I'm a man with
A whole lot on his mind
Just out there somewhere
Travelling in time

Travelling in time

I've tried for so long to find
Some way of helping mankind

EASY LIVIN'

This is a thing I've
Never known before
It's called easy livin'
This is a place I've
Never seen before
And I've been forgiven

Easy livin' and I've been forgiven
Since you've taken
Your place in my heart

Somewhere along the lonely road
I had tried to find you
Day after day on that windy road
I had walked behind you

Easy livin' and I've been forgiven
Since you've taken
Your place in my heart

Waiting, watching
Wishing my whole life away
Dreaming, thinking
Ready for my happy day
And some easy livin'

Somewhere along the lonely road
I had tried to find you
Day after day on that windy road
I had walked behind you

Easy livin' and I've been forgiven
Since you've taken
Your place in my heart

Easy livin' and I've been forgiven
Since you've taken
Your place in my heart

POET'S JUSTICE

Cold winds and cloudy skies
Turned to sweetness in her eyes
Fantasies I realised
Came to life to my surprise

Rain came and took her away
Just when I thought
She was here to stay
Sun gone I was left high and dry
Love came by and touched me
And kissed me so long

Shine hard October moon
Eagle take me to her soon
Run swiftly silver stream
Find my love or let me dream

Half of me is all of her
I'd be much happier if I were whole
All my words and wisdom fall
The poet's justice
Leads me to my goal
Leads me to my goal

Cold winds and cloudy skies
Turned to sweetness in her eyes
Fantasies I realised
Came to life to my surprise

CIRCLE OF HANDS

Circle of hands
Cold spirits plan
Searching my land
For an enemy
Came across
Love's sweet cost
And in the face of beauty
Evil was lost

Sky full of eyes
Minds full of lies
Black from their cold hearts
Down to their graves
Murdered the dawn
Spreading their scorn
Cursing the sun
Of which love was born

We must keep them away
Or pretty soon we'll pay
And count the cost in sorrow
Sacrifice - the future has its price
And today is only
Yesterday's tomorrow

We must keep them away
Or pretty soon we'll pay
And count the cost in sorrow
Sacrifice - the future has its price
And today is only
Yesterday's tomorrow

Tomorrow ...

RAINBOW DEMON

There rides the rainbow demon
On his horse of crimson fire
Black shadows are following closely
On the heels of his desire

Ridin' on in the mist of morning
No one dared to stand in his way
Possessed by some distant calling
Riding on through night and day

Rainbow demon
Pick up your heart and run
Rainbow demon
Lives for his sword and his gun

Ridin' on in the mist of morning
No one dared to stand in his way
Possessed by some distant calling
Riding on through night and day

Rainbow demon
Pick up your heart and run
Rainbow demon
Lives for his sword and his gun

Rainbow demon
Pick up your heart and run
Rainbow demon
Lives for his sword and his gun

It's the pain of your secret heart
Bringing you to tears
Filling you with fears
For your mind and for your soul

I will cast the spell
Be sure I'll cast it well
I will light a fire
Kindled with desire

Rainbow demon
Pick up your heart and run
Rainbow demon
Lives for his sword and his gun

I touch you softly now
Borne on by hope
Until the end somehow
I am a man and I must keep my vow
I must go on

I'll fill you with fear
So you know I'm here
And I won't be treated like a fool

Rainbow demon
Pick up your heart and run
Rainbow demon
Lives for his sword and his gun

But the wall of your secret heart
Keeps my distance clear
Helps my footsteps fall
Back in line inside my mind

It's no good you pretending
There'll be no happy ending
I'm alive and darkness is my tool

ALL MY LIFE

I had a little look
For a minute today
And I told there was something
That I wanted to say

What's the use you turned me loose
And left me here to cry
Where's the love we talked about
Where's my sunny sky

But when the night is over
And daytime steals your cover
The goodness of the morning sun
Will warm away
What you have done
And leave you cold

Just sitting there glowing
With her red light on
So I've gotta make fast
And it shouldn't take long

Secret hearts and sorry tales
Will never help love grow
Spread your wings my daunted soul
The time has come to go

I have no need for moonlight
You're wrong to trust in sunlight
For I exist not just in storms
But in life itself in so many forms
To leave you cold

Maybe she will
Maybe she won't
We can get it so together
If she doesn't say don't

I will not be hurried down
Or blackened by your lies
I must go and find my dream
And live in paradise

I will leave you now
But you won't defeat me
You had best beware
When you come to meet me

I've never ever thought
I was looking for a wife
But I think I could love her
For the rest of my life

What's the use you turned me loose
And left me here to cry
Where's the love we talked about
Where's my sunny sky

Love and truth will follow me
An army of reality
Brought from every corner
Of the world

I only took one 'cause
I couldn't take two
I wanna make love
And it's gotta be you

Secret hearts and sorry tales
Will never help love grow
Spread your wings my daunted soul
The time has come to go

You will never break the spell
I'll summon all the fires of hell
And this is my advice
For what it's worth

Every little thing that
I ever tried to say
Is coming out right
In my own kinda way

I will not be hurried down
Or blackened by your lies
I must go and find my dream
And live in paradise

Let us not begin
This fight we cannot win
Be sure you're watching me
'Cause all through your life
Everyday and everynight
You should know that
I'll be watching you

Take it, make it
It really feels fine
She must be Lady Luck
If she's gonna be mine

What's the use you turned me loose
And left me here to cry
Where's the love we talked about
Where's my sunny sky

ADDITIONAL SONGS:

I've never ever thought
I was looking for a wife
But I think I could love her
For the rest of my life

THE SPELL

What do you think I am
Do you think I'm dreaming
Don't you know I know
What it is you're scheming

WHY (single b-side version)

Released as a single b-side, included as a bonus track on remastered DEMONS AND WIZARDS cd. This version has slightly different lyrics than THE LANSLOWNE TAPES version.

I will love you all my life ...

Who d'you think gave you the right
Hidden by the dead of night
To take the world and
Turn it upside down
When it should be round

Thought of no tomorrow
The pain, tears and sorrow
And you never told me why
The way you cheated
And mistreated
I could never ask you why

PARADISE

I feel you trying
Though in my heart
I know you're lying
And though your love
For me is dying
I see you crying

Seems I made it just in time
To use my reason and my rhyme
To save us from
The evils of your mind

Well, I'm gonna find out
I'm gonna find out
What's been messing up your mind
Messing up your mind

Well, I've been through
Some changes
Now I'm leaving
While me mind rearranges
Why I'm grieving
I don't mean that you hurt me
Or deceived me
For I know that you're there
And you need me, you sure do
But I hope you can't see how it is
I can't stay any longer
I've got to go

Is there any true reason
Or anything I can explain
Can't we talk about it baby
And get together again
You see I have the feeling
That this isn't the end
And I feel knowing
On you I depend
I depend on you

I'm gonna find out, yes I am
I'm gonna find out
What it is that's been
Messing up your mind

Well, I said that I love you
And I need you
Then it means I am yours
Yes, I belong to you
But I just can't be certain
That you love me too
Well, I've got to know
If I can believe in you
Please believe my heart is yours
I can't stay any longer
I've got to go

Perhaps it's best for us
To stay together
And try to live our lives as one
And maybe we will find
We're still together
To watch the setting of the sun

HOME AGAIN TO YOU

Out-take, included as a bonus track on remastered DEMONS & WIZARDS cd.

Don't throw it all away
Hear what I've gotta say
Because you're always on my mind
I've got an eye on you
And only you will do
And I don't wanna waste my time

So won't you hear my out
Because it's all about
When I come home again to you

You're such a little child
You're gonna drive me wild
As I just don't know what to say
I got an eye on you
And only you will do
And I don't wanna get in your play

Hesitate because I cannot wait
Till I come home again to you

You make me feel so old
Just like I have been told
Because it's always up to you
Oh baby, hear me out
I've done all my time
And I don't wanna be misused

So please don't hesitate
Because I cannot wait
Till I come home again to you

Can't waste all my time
Give me all today
Well it's on my mind
You can't own me
When all I wanna be
But I don't wanna waste all my time

Hear me out
Because I'll scream and shout
When I come home again to you

Home to you ...

PROUD WORDS

Out-take, released for the first time on A TIME OF REVELATION compilation.

Stand up and fight
Or you'll lose your right
Do you wanna stand in a line
Fightin' hard to hold on to your mind

Seek and you'll find
Proud words on a dusty shelf
Find and you'll seek
Just keep on helpin' yourself

When the wind of trouble comes
Put away your battledrums
And stand up and fight
Stand up and fight
Don't stand in a line
Hold on to your mind

Seek and you'll find
Proud words on a dusty shelf
Find and you'll seek
Keep on keepin' on helpin' yourself

When the wind of trouble comes
Put away your battledrums
And stand up and fight
Stand up and fight
Don't stand in a line
Hold on to your mind

Stand up and fight ...

GREEN EYE

Out-take, included as a bonus track on expanded de-luxe edition DEMONS & WIZARDS cd.

Will you stay out late tonight?
Try to hope
Will you try to dominate?
Will you do that more to hate?
Will you give me all your love
And never deserve it?

Giving me all of that green eye
Never let me out of your sight
Cause I'll give you more than you plan
Then you'll understand that I'm all right...
I'm all right

Do you think you've really
Found the only way?
When you're wrong
You'll have to do without
What can you say?
Think you dare to manipulate?
Then you just run away
Accept it now, just stay away

Giving me all of that green eye
Never let me out of your sight
Cause I'll give you more
Than you're planning
'Til you're understand that I'm all right...
I'm all right

Do you think you've really
Found the only way?
In your own defense
What have you got to say?
Think you can manipulate?
Saying you'll just tolerate
In your own defense
What have you got to say?

Giving me all of that green eye
Never let me out of your sight
Cause I'll give you more
Than you're planning
When you're underground
And I'm all right...

THE MAGICIAN'S BIRTHDAY 1972

SUNRISE

Album version

Sunrise
And the new day's breakin' through
The morning
Of another day without you
And as the hours roll by
No-one's there to see me cry

Except the sunrise
The sunrise and you

Tired eyes drift across the shore
Looking for love and nothing more
But as the sea rolls by
No-one's there to see me cry
Except the sunrise
The sunrise and you

Sunrise
Bless my eyes
Catch my soul
Make me whole again

Sunrise, new day
Hear my song
I'm tired of fightin'
And foolin' around
But from now on
Til who knows when
My sword will be my pen
And I'll love you, love you
For all of my time

Sunrise
Bless my eyes
Catch my soul
Make me whole again

Sunrise
Bless my eyes
Catch my soul
Make me whole again

Sunrise
Bless my eyes
Catch my soul
Make me whole again

SPIDER WOMAN

I had a spider woman
And she was so good
She chained me
In her web so tight
I lost the freedom
Of release that night
So I stayed right by her

I dreamt I saw a blind man
Who was singing a song
About a guy who
Couldn't take no more
And the meaning of
The words he swore
Told me go find her

She was a spider woman
But she was good to me
Spider Woman
But she was good to me
She went down

I told her 'bout my vision
But she laughed in my face
So I told her go
And walk in the street
But by the time
She got past my feet
I lost control

She was a spider woman
But she was good to me
Spider Woman
But she was good to me

Spider woman
But she was good to me
Spider Woman
But she was good to me

BLIND EYE

Stranger than the sunrise
Darker than the night
Fiercer than a rainstorm
This is man's delight
This is man's delight

Weaker than a moment
And hot as any fire
Blinder than the blind eye
This is man's desire
This is man's desire

I ran to a place in the open sea
Where I pledged my life to the sun
It was good for a while
I could laugh, I could smile
But when I woke up one day
The sun had gone

I ran to a place in the open sea
Where I pledged my life to the sun
It was good for a while
I could laugh, I could smile
But when I woke up one day
The sun had gone

So what of my meaning
What am I trying to say
What of my caution
I'm a man anyway
I'm a man anyway ...

ECHOES IN THE DARK

I have heard the echoes in the dark
Dim and distant voices of the past
And I've seen so far into the night
And lingered in the land of no light

Far beyond the shrouded hours of dawn
Through the mist of daybreak I was
borne
But the day was clouded still by night
Leaving me in the land of no light

Though I'd love to say hello to you
You might have to wait awhile
To say goodbye
For it must end as it began
And then start again

The day of darkness comes to every man
And lingers while he reaches out his hand
And he cannot know how it will end
Till he finds out if he has a friend
A friend ...

RAIN

It's raining outside
But that's not unusual
But the way that I'm feeling
Is becoming usual
I guess you could say
The clouds are moving away
Away from your days
And into mine

Now it's raining inside
It's kind of a shame
And it's getting to me
A happy man
Why should you want to
Waste all my time
The world is yours
But I am mine

Rain, rain, rain in my tears
Measuring carefully my years
Shame, shame, shame in my mind
See what you've done to my life

Rain, rain, rain in my tears
Measuring carefully my years
Shame, shame, shame in my mind
See what you've done to my life

See what you've done to my life

SWEET LORRAINE

Would you like to take
This magic potion with me
On a trip to a cosmic
Playground far beyond
She understands
She's been before
It's in her hands
To find the door

Sweet Lorraine
Let the party carry on
You and I will swim the sea
Sweet Lorraine
Let the party carry on
You and I can feel the breeze

There is no time, no wealth
Only I surround you
The fortune of this guide
Is simply sincerity

She understands
'Cos she's been before
It's in her hands
To find the door, so

Sweet Lorraine
Let the party carry on
You and I will swim the sea
Sweet Lorraine
Let the party carry on
You and I can feel the breeze

Sweet Lorraine
Let the party carry on
You and I will swim the sea
Sweet Lorraine
Let the party carry on
You and I can feel the breeze

Sweet Lorraine
Let the party carry on
You and I will swim the sea
Sweet Lorraine
Let the party carry on
You and I can feel the breeze

Sweet Lorraine ...

TALES

We told our tales as we sat under
Morning's sleepy sky
With all the colours of
The sunrise shining in our eyes

One, then another
With a story of yesterday's life
Or of a lover who had
Gone in a moment of strife

No thought of sleep ever dwells
Upon the wise man's mind
Some task or audience
Stealing every moment of his time

Thus we have learned to live
While mortal men stand waiting to die
How can we do what must be done
In just one short life

And if you ask then you must know
If you still doubt you should be told
It was not we that made it so
It was by those who went before

And there you sit tomorrow's child
So full of love, so full of life
But you must rise to meet the day
Lest you become another tale

And there you sit tomorrow's child
So full of love, so full of life
But you must rise to meet the day
Lest you become another tale

Another tale ...

THE MAGICIAN'S BIRTHDAY

In the magic garden
Some were singing
Some were dancing
While the midnight moon
Shone brightly overhead

The stars so gaily glistened
And the sphinx in silence listened to
The magician tell of
Lives that he had led

Let the bells of freedom ring
Songs of love to Friday's king

Let's all go to
The magician's birthday
It's in a forest
But not so far away
Much to do
And so much to say
While we listened to
The orchid orchestra play

Happy Birthay to you ...
Happy Birthday to magician
Happy Birthday to you ...

Then at the dead of midnight
As we watched the dancing firelight
The air grew cold
And seemed to dull the flame
The fire died, the music faded
Filled with fear of death we waited
For now we knew
Some evil was to blame

I challenge you
I challenge you all
For all you own
And all you know
And by all the powers of darkness
I will steal what is mine

Surrender now or face my spite
I grant you it may be Friday night
But did you know this day
Also numbers thirteen

First I'll give you fire
I turn your fire into a sleepy stream
Yes, now I give you nightmares
From your horror I'll create a dream

You cannot fight me
For I have the sword of hate

But one thing you can't see
My answer is simply
An impenetrable fortress
Of love ...

The fear went as quickly as it came
The air was clear
The fire burned again
The flames leapt
The organ played
The swans sang
To greet the day
And then we knew that
Love will find love ...

CRYSTAL BALL

Out-take, included as a bonus track on remastered THE MAGICIAN'S BIRTHDAY cd.

Do we live our lives in moderation?
Does this appear
When you're around?
And the deeper in debt
The harder the bet
Your thoughts are one of a clown

Look out before you sign
Your soul away
The crystal ball, it seems
Is not reading to - reading today

Does the time seem right
For some rethinking?
It seems a gift that you have
Are you living a dream
Of express progress?
It's just a thought that you have

Oh, you should've know better
When the warning light was lit
As it did for others
You preach a sermon
When you talk of the Messiah
We are yet to discover

Thinkin', lovin', feelin'
But disbelievin' ...

SILVER WHITE MAN

Out-take, included as a bonus track on expanded de-luxe edition THE MAGICIAN'S BIRTHDAY cd.

Just looking around the sky
And trying to reason why
The feeling is right
For someone to appear
He's never been seen before
But he's somewhere out there, I'm sure
And he talks in a whisper
That most don't even hear

A silver white man
On a silver white horse
And I hope that he's coming to meet me
A silver white man
On a silver white horse
And I'll hope he'll be able to greet me

A silver white man ...

He watches us night and day
Whatever we do or say
His only concern is
Righting all the wrong
Because of the way they decreed
He must stay on his silver white steed
Try to find out the people who belong

A silver white man

On a silver white horse
And I hope that he's coming to see me
A silver white man
On a silver white horse
And I hope he'll be able to see me

A silver white man ...

SWEET FREEDOM 1973

DREAMER

I've got a dollar deal hidden
Down in my shoe
So listen friends
I tell you what I'm gonna do

I'm gonna run up
The road of mystery
Hangin' by a thread to a fantasy
A background black
Showing my face
Buried in the image
Of an empty space

I'm back on my feet
Getting no sleep
Makin' it all mine
Give me a chance
To follow the bands
Waitin' for the sunshine
Husslin' my will
In a bar downtown
And f it don't work out now
'll keep movin' around and around ...

Till I'm back on my feet
Getting no sleep
Makin' it all mine
Give me a chance
To follow the bands
I'm waitin' for the sunshine, yeah

A dreamer, a dreamer
Hangin' around
A dreamer, a dreamer
Trying to hitch a ride
A dreamer, a dreamer
Hangin' around
A dreamer, a dreamer
When I turn my back
You're by my side

Well I fought my way
Through the back-stage door
Staring at my goal
Till my eyes get sore

And working my way
Through the little I say
Caring no less just
The light of the day
A background black
Showing my face
Buried in the image
Of an empty space

I'm back on my feet
Getting no sleep
Makin' it all mine
Give me a chance
To follow the bands
I'm waitin' for the sunshine, yeah

Just a dreamer, a dreamer
Hangin' around
A dreamer, a dreamer
Trying to hitch a ride
A dreamer, a dreamer
Hangin' around
A dreamer, a dreamer
When I turn my back
You're by my side, yeah

A dreamer, a dreamer
Hangin' around
A dreamer, a dreamer
Trying to hitch a ride
A dreamer, a dreamer
Hangin' around
A dreamer, a dreamer

STEALIN'

Take me across the water
'Cause I need some place to hide
I done the rancher's daughter
And I sure did hurt his pride

Well, there's a
Hundred miles of desert
Lies between his hide and mine
I don't need no food
And no water, Lord
'Cos I'm running out of time

Fightin', killin', wine and women
Gonna put me to my grave
Runnin', hidin', losin', cryin'
Nothing left to save but my life

Stood on a ridge
And shunned religion
Thinking the world was mine
I made my break and a big mistake
Stealin', when I
Should've been buyin'

All that fightin', killin'
Wine and those women
Gonna put me to an early grave
Runnin', hidin', losin', cryin'
Nothing left to save but my life
Life ...

So I stood on a ridge
And shunned religion
Thinking the world was mine
I made my break and a big mistake
Stealin', when I
Should've been buyin'
I was stealin'
When I should've been buyin'
I was stealin'
When I should've been buyin'

Stealin', when I
Should've been buyin' ...

Stealin' ...

ONE DAY

One day ...

Didn't I tell ya
Everything was gonna be alright
I never doubted
It was just a matter of time

And though I've travelled
Across the desert of despair
I know I'll get there one day

How times have changed
I better re-arrange it everything
But it can't change the love I bring
When I get back home to you

I am the same
It's just a game that I chose to play
But remember I can lose
As fast as I won one day

I still remember the hole in the wall
Where we all sat though
You said we'd fall
The dusty yard and
The broken down barn
Where you and me
Used to share a yarn
But it's gone now

But didn't I tell ya
That everything was
Gonna be alright
I never doubted
It was just a matter of time
Though I've travelled
Across the desert of despair
I know I'll get there one day
One day
I'll get there one day

SWEET FREEDOM

As you look around you
Do you like what you see?
Though it sometimes
Makes you lonely
Do you like being free?

And are you sure you'll be okay
Without my company?
I just want you to be happy
Even if it's not with me

Sweet sweet freedom
Sweet sweet sweet
Will the line between all this
And my love ever meet
Sweet sweet freedom
Sweet sweet sweet

What I'm really tryin' to say
Is that I will be around
Should you find that after all
You can't get by
With what you found

Oh, it wasn't just my heart you took
And gently tossed into the sea
Though it's hard to find
The words I need -
Oh, I guess it was me

Oh sweet, sweet freedom
Sweet sweet sweet
Will the line between all this
And my love ever meet
Sweet sweet freedom
Sweet sweet sweet

Will the line between all this
And my love ever gonna meet
Sweet sweet freedom
Sweet sweet sweet

Oh sweet, oh sweet sweet sweet freedom
So sweet, so so sweet

IF I HAD THE TIME

If I had the time
To re-live my life
I don't think I'd care
To change a thing
As long as I find
Just a little peace of mind
I can dream and laugh
And I can sing

I can have my fun
With the silver stars
I can watch the sun
Fall in the sea
And if it rains
I will smile just the same
For the rain
Will make the flowers sing

I know how it is to feel sad
I know how it is when things go bad
But I'm sure that
I have found the way
I'm happy here and here I'll stay
Here I'll stay

If I had the time
To re-live my life
I don't think I'd care
To change a thing
As long as I find
Just a little peace of mind
I can dream and laugh
And I can sing

SEVEN STARS

Album version

Don't try to be anything else
But what you are
Don't try to do anything else
But the things you do

'Cause I had a dream
About seven stars
And the seven good things
That you are to me

The very reason I'm livin'
Is just for lovin' you
And the seasons are changin'
Makin' it all come true
'Cause with the spring
And the clearing skies
Love's soft light
Will fill my eyes for you

Who fills my head
With these dreams
As I'm leaving my mind
Seven new stars are born
Seven are waiting to die

The very reason I'm livin'
Is just for lovin' you
And the seasons are changin'
Makin' it all come true
'Cause I had a dream
About seven stars
And the seven good things
That you are to me

Who fills my head
With these dreams
As I'm leaving my mind
Seven new stars are born
Seven are waiting to die

Who fills my head

CIRCUS

Walkin' around this concrete garden
Viewing all in vain
Thinking why a dream
Is driving everyone insane

Then something will come
And make you feel
The master in control
Still you're picking up
And screwing anyone
Who's got a soul

I've been here
Far too long to remember
Sights and sounds
From this town of clowns

Makin' up, dressin' up
Walkin' around
Thinkin' that you're Greta Garbos

I'm sorry my dears
But we only sat down
And laughed and laughed in sorrow
But it was you
That opened the door
And it's that we thank you for

Walkin' around this concrete garden
Viewing all in vain
Thinking why a dream

Is driving everyone insane
Everyone insane ...
Everyone's insane

PILGRIM

A pilgrim at the grey of dawn
Leaving in the mist of morning
On his journey of goodness
Heaven sent, God blessed

Pilgrim laughing at the world
Spreading joy
At the touch of his hand
Wiping out all the misery
Making love and history

Those of us who don't know war
We shouldn't try to make it
So many did and even more died
Do you think you could take it?

Love lies waiting at my back door
Such a beautiful matter of fact
Life's like an apple
With love as the core
And I'll tell you 'bout that

Just a man in my prime
Love was there
But I had no time
I was cheered and adored
And I thought fame
Was all the world

Battles won and victory cheers
Were the sounds
I'd heard for years
But the women I really loved
Was losing me
To all this blood

I only knew I had to win
And build a world
Where I was king
But leaders come and leaders go
And that's the truth
I came to know

Love or war I couldn't choose
And so both I had to lose

ADDITIONAL SONGS:

SUNSHINE

Released as a single b-side, included as a bonus track on SWEET FREEDOM cd.

For many years I felt like a man
Feeling his way through darkness
This priceless treasure
For which I've searched
Appeared to me nothing more
Than a mirage in the sea

But when the vision faded
From this struggle and dream
Suddenly my illusion is diary
I've now discovered what's reality

Sunshine, sunshine, sunshine
I've found you
Even if you're only
Even if you're only
Even if you're only
Just in for a while

Sunshine, sunshine, sunshine
I've found you
Even if you're only
Just in for a while

I've evoked most impressions
And I ride this with a smile
As the picture book shows Stanley
Standing at the source of the Nile

But when the vision faded
From this struggle and dream
Suddenly my illusion is diary
I've now discovered what's reality

Sunshine, sunshine, sunshine
I've found you
Even if you're only
Just in for a while

Sunshine, sunshine, sunshine
I've found you
Even if you're only
Just in for a while

Sunshine, sunshine, sunshine
I've found you
Even if you're only
Just in for a while

Sunshine, sunshine, sunshine
I've found you
Even if you're only
Just in for a while

Sunshine, sunshine, sunshine
I've found you
Even if you're only
Just in for a while

Sunshine, sunshine, sunshine
I've found you
Even if you're only
Just in for a while

Even if you're only

WONDERWORLD 1974

WONDERWORLD

We freely speak of dreams
We marvel at what they conceal
But in my wonderworld
Each sleeping vision is so real

So I believe and hope
That all the things I see
May one day bring
Such truth and peace
As we can feel

Free from this waking world
Deep in sleep's mystery
My will is free to wander
Free to wander carelessly
At times it's not so far
From what we call reality
And at times I know I wonder
If it all could come true

Oh, Mr. Wonderworld
Don't be afraid
'Cause dreams were made
Were made to dim the light
The torment day can bring
And leave you free
To laugh aloud and hear
Your heart bells ring
Oh, oh, Mr. Wonderworld
Wonderworld ...

Oh, Mr. Wonderworld
Don't be afraid
'Cause your dreams were made
They were made to dim the light
The torment day can bring
And leave you free
To laugh aloud and hear
Your heart bells ring
Oh, oh, Mr. Wonderworld
Mr. Wonderworld ...

SUICIDAL MAN

Waiting by the window
Staring at my shadow
Not believing what I'd seen
Touching but not feeling
And wondering what I was dealing
And not knowing where I'd been

So I began walking
To myself I was talking
But didn't know which way to go
Then I found a direction
And now I needed some action
But I should have just said no
Should have said no

Why won't you help me
Or give me hand
'Cause I'm close to becoming
A suicidal man
What I need is someone
With a definite plan
For I've waited for just
About as long as I can

Suicidal man, suicidal ...

So on my travels
Still with all my troubles
I found someone who cared
The answer was so easy
That all she did to please me
Was to say a problem's smaller
When it's shared

He was a suicidal man ...

THE SHADOWS AND THE WIND

Oh, they're moving in again
Hidden by the shadows
And the wind
But we'll just wait awhile and then
We'll show 'em all that
This time we ain't giving in

Without a care they
Sweep aside our dreams
To try and make way for their own
No more should we surrender
To their schemes
It's time to stand and
Show 'em we are not alone

Time has changed us all
We have our minds
Life has taught us
We all have our love
And it's time to use it, use it

Nature gave us colour
Day and night
So if you really got a reason
Then you better be right
The seasons of the year
Still are spring and fall
But there's nothing in the world
That says it's right to fight

Time has changed us all
We have our minds
Life has taught us
We all have our love
Why don't we use it
Come on and use it
Why don't we use it
Come on and use it

La la la la ...

SO TIRED

Well, I've been on the road
For a year or more
And I've done a lot of things
I never did before
Now I want everyone
To listen to my song
And you can tell me
When you've heard it
If you think I am wrong

'Cause I'm so tired
Of everybody staring at me
Yes, I'm so tired
And I'm so uninspired
Please help me

Well I've seen 'em rise
And I've seen 'em fall
And I use to think that
I was having a ball
But I was kiddin' myself
For a long long time
But now I got myself a spoon
And I'm feeling fine

But I'm so tired
Of everybody staring at me
Yes, I'm so tired
And I'm so uninspired
Won't you please help me

Where can you go
Where can you go
When there is no one
To show a guiding light
What did you say
What did you say
Have you been thinking about me
Day and night

'Cause I'm so tired
Of everybody staring at me
And I'm so, so tired
I'm so uninspired
Please help me

Won't you please help me ...

THE EASY ROAD

If you're looking for a place
You can fly together
And you're really afraid of
What you're leaving behind
Take the easiest road
But take care my brother
For you'll never find peace
With a troubled mind

Far better to love each other
Than to worry so deeply
'Bout the place you're in
And far better to kiss her softly
Than lookin' back on a love
You'll never have again

Time's as fickle as
The sky in winter
And two hearts always
Were better than one
Love has the wings
Of a tireless angel
She'll stay beside you
Till the day is done

La la la la ...

Far better to love each other
Than to worry so deeply
'Bout the place you're in
And far better to kiss her softly
Than lookin' back on a love
You'll never have again

You'll never have again
No no no, never again
You'll never have again

SOMETHING OR NOTHING

There's never a day
When I've got nothing to do
Something to me
Might mean nothing to you

So don't don't don't don't
Look at me strangely now
We'll find the line
That's in the middle and run

Something
Something or nothing ...

You say you love to spend days
But I will save mine
Waiting for the sun in your eyes
To turn the river to wine

But don't don't don't don't
Look at me strangely now
We're gonna find the line
That's in the middle and run

Something
Something or nothing ...

You say you love to spend days
But I will save mine
Waiting for the sun in your eyes
To turn the river to wine

But don't don't don't don't
Look at me strangely now
We'll find the line
That's in the middle and run

Something
Something or nothing ...

I WON'T MIND

I don't mind
If you steal my last dime
Just leave me anytime
And I'll get, get along fine
I don't really know why
But I know I'll get by
If I don't I'll die tryin'

If it rains again
I'm gonna fly to the sun
'Cause nothing gets done
Just sitting, sitting around

Look at the way it's been
Just waitin' and wonderin'
I've just got to keep trying

Looking for gold in the sky
Gets kinda rough
Maybe I'm to blame
'Cause I didn't look hard enough
But I still get the feeling
That it shouldn't be so tough

So I won't mind, I, I won't mind
I won't mind, I, I won't mind

Looking for gold in the sky
Gets kinda rough
Maybe I'm to blame
'Cause I didn't look hard enough
But I still get the feeling
That it shouldn't be so tough

So I won't mind, I, No, I won't mind
I won't mind, I, I said I won't mind

WE GOT WE

I got you, you got me
We are where we belong

Safe places, warm faces
All have been gone too long

Sky writing, inviting
Disappears amidst the clouds

False promise, the last cold kiss
All seem so distant now

Just with each other
We are all so well armed
And with a little care we need
Never be harmed

We've got we, and there's love
Before our eyes

We can have it and hold it
If we realize

Just with each other
We are, we are so well armed
And with a little care we need
Never, no never be harmed

La la la ...

DREAMS

You should have seen
Tuesday's dream
Dancing in my head
For you'd have heard
A thousand words
That nobody had said

And you'd have
Watched me try to run
Where dreams have
Never strayed
Heard my cries because
I know I really was afraid

Dreams, dreams
I'll never keep
My body rests
But my eyes refuse to sleep
Sights and sounds
My mind created
Far beyond the thoughts
Of which we speak

And then we danced
On silver wings
Upon a gilded thread
I heard the song the angel sings
To bless my lowered head
And at the door of paradise
My best laid plan begun
But as I turned to reach for you
My coloured night, it was gone

Dreams, dreams
I'll never keep
My body rests
But my eyes refuse to sleep
Sights and sounds
My mind created
Far beyond the thoughts
Of which we speak

And then we danced
On silver wings
Upon a gilded thread
I heard the song the angel sings
To bless my lowered head
And at the door of paradise
My best laid plan begun
But as I turned to reach for you
My coloured night, it was gone

WHAT CAN I DO

Released as a single b-side, included as a bonus track on WONDERWORLD cd.

I wish you'd stop and
Give a helping hand
For I guess I'm only half a man
I feel the only way for me to leave
Is just to give you
Everything I can give

'Cause without you, without you
What can I do

I will give you all the love I have
Just to know you stop me
Being so sad
I hope you won't think
So badly of me
'Cause I had to tell you
This could break myself in

'Cause without you, without you
What can I do

Being helpless is a habit of mine
No one else can understand
You are the one to
Help me to survive
If you're any friend of mine

Being helpless is a habit of mine
No one else can understand
You are the one to
Help me to survive
If you're any friend of mine

Yesterday you gave a helping hand
To some one you'll
Never understand
Though I tried to tell you of this way
You said I had nothing
Constructive to say

But without you, without you
What can I do

What can I do ...

LOVE, HATE & FEAR

*Out-take, released for the first time on A
TIME OF REVELATION compilation.*

Dream in a lonely room
Fly on a star
Think of the forcing time
Then know where you are

Fear is the strongest force
Love, love is the key
Where is my hatred now?
Love rules over me

Something I have failed to see
You're haunted of a memory
Darkness keeps my thoughts at bay
But I will find my dream one day

Hate, hate is my only thought
Blame, the blame is on you
Why, why, why, why
Why did you leave my side?
Heaven knows quite a few

Something I have failed to see
Like a haunted of a memory
Darkness keeps my thoughts at bay
But I will find my dream one day

Dream, yeah ...

STONE'S THROW

*Out-take, released for the first time on A
TIME OF REVELATION compilation.*

I was a stone's throw from happiness
Feeling love grow in your caress
It was like nothing I had felt or seen
And I waited impatiently

Oh, stone's throw
And I can't stand to see you go
You hurt me bad, cut me down
But it just don't work without you
Without you around

It was a short walk, now it's a lonely ride
It turned my day into a lifeless night
It was my belief and now it's my regret
I've got a one way ticket that I can't
accept

Oh, just a stone's throw
And I can't stand to see you go
You hurt me bad, you cut me down
But it just don't work without you
Without, without, without
Without you around

Oh, stone's throw
And I can't stand to see you go
You hurt me bad, cut me down
But it just don't work without you
Gotta have you around

Gotta have you around ...

RETURN TO FANTASY 1975

RETURN TO FANTASY

Searching every day
Looking every way
Trying to make a connection
To find a piece of the action
Like a hungry poet
Who doesn't know
He is close to perfection
Choice is the question

Moonlight night
After moonlight night
Side by side
They will see us ride
But if they cared to look
Then they would see
It's our return to fantasy
Fantasy ...

Can you understand
That in every man
There's a need to unwind
That's never been defined
Somewhere deep within
There's another being
You are somehow abusing
By the person you're using

Moonlight night
After moonlight night
Side by side
They will see us ride
But if they cared to look
Then they would see
It's just our return to fantasy
Fantasy ...

Travelling faster than lightening
Closer than ever before
We can go on for you
And take you nearer to
The legend of mystery
From the beginning of

Time ... dreaming ... time ... dreaming
We can return to
The land of the good and the kind
Time ... dreaming ... time ... dreaming
Why don't you come to our party
And open your minds

In another place
There's a newer face
Like an unfinished painting
Your creator is waiting
The brush and pen describe
What it is inside
That will set your mind thinking
While the others are sinking

Moonlight night
After moonlight night
Side by side
They will see us ride
But if they cared to look
Then they would see
It's our return to fantasy
Fantasy ...

SHADY LADY

Out from St. Louis
I wasn't choosy
I just wanted to get
Back on the road
I hitched in cars
And worked in bars
Lookin' for a place
To lay down my load

I met a lady, a shady lady
And someone told her
I was all on my own
She poured a beer
And said when I'm finished here
Hang around 'cause
I'm taking you home

Don't worry
I'll treat you all right
Don't worry
You can stay all night
I thought it was any easy ride
But I didn't know where
I was until I got inside

She said, ok sonny
Give me your money
And don't start any foolin' around
I said what, I said what
Don't you think you're
Turning me upside down

She said, I don't care
I've been everywhere
And I've not been looking for you
But I'll take you in
And give you a spin
You'll know some tricks
By the time we get through

Shady lady
You want it all your own way
Shady lady
You won't let go of your prey
Shady lady
Eat me up and spit me out
But let's get started now
I know what you're talking about

Now in the morning
As the day was dawning
Shady asked me if
I'd stay there awhile
I said stay, baby no way
But I couldn't keep myself
From a smile

I said now no bye-bye's
Go in and dry your eyes
That ain't fittin'
For a lady like you
Why not be smart
And give your life another start
But take care now
Whatever you do

Shady lady
I'm on my way
Shady lady
We'll meet again one day
And don't worry 'cause when we do
I'm gonna make sure
That there ain't very much left of you

Gotta get out, out, out ..

DEVIL'S DAUGHTER

I don't believe in
Your kind of affection
Your taking me
In the wrong direction
Don't give me none of
That holy water
Comin' on like you're
The devil's daughter

Just take me to the chapel
Show me to your leader
Take me to your chapel
I wanna meet your leader
Come on

How do you find the time to exist
I've got to keep my
Strength of mind to resist
Don't give me none of
That holy water
Comin' on like you're
The devil's daughter

Just take me to the chapel
Show me to your leader
Take me to your chapel
I wanna meet your leader

Come on now
Come on now take me there

Where do you come from
And where do you go
Can I touch without havin' to know
Don't give me none of
That holy water
Comin' on like you're
The devil's daughter

Just take me to the chapel
Show me to your leader
Come on, take me to your chapel
I wanna meet your leader

BEAUTIFUL DREAM

Sail down the stream
Such a beautiful dream
Never stopping
Never touching anything
Till dawn awakes you
With a breath of the Spring

Far from the crowds
Way above the clouds
We can take you to
The edge of the day
And show you living in
A new kind of way

We'll take you floating to
A sea of morning dew
Where everyone's the same
And no-one knows your name
And there you'll see that you can
Live your life to the extreme
Such a beautiful dream

We'll take you floating to
A sea of morning dew
Where everyone's the same
And no-one knows your name
And there you'll see that you can
Live your life to the extreme
Such a beautiful dream

Such a beautiful dream ...

PRIMA DONNA

I'll go down fightin'
But rather be delightin'
All the people that come to see
The devil's from Chicago
Nnow where the hell do they go
When we get in our limousines

'Cause we just want to be
Where it's all going on
But tell me what do you do
When it's over
And everyone who
Loved you is gone
They're gone
I said they're gone

You're our kind of people
You're the church
And we're the steeple
But we're all inside the hall
If we've got what you need
Then we'll give you the speed
To get up and have a ball

'Cause we just want to be
Where it's all going on
But tell me what do you do
When it's over
And everyone who
Loved you is gone

You're just another
Prima donna of rock'n roll
So please let me know
When you want me to go

You're our kind of people
You're the church
And we're the steeple
But we're all inside the hall
If we've got what you need
Then we'll give you the speed
To get up and have a ball

'Cause we just want to be
Where it's all going on
But tell me what do you do
When it's over
And everyone who
Loved you is gone

You're just another
Prima donna of rock'n roll
So please let me know
When you want me to go

You're just another
Prima donna of rock'n roll
So please let me know
When you want me to go

You're just another
Prima donna of rock'n roll
So please let me know
When you want me to go

YOUR TURN TO REMEMBER

I was always the one
Who did the thinkin'
It was me, I'm sorry
I who made the plans
There was never a thought
We might do somethin' between us
It's so clear I think
I'm beginning to understand

I was the one who had to
Lay it out and pay it out
I would work all night
Even though I wanted to
Play out and stay out

Now it's your turn to remember
And it's your turn
To try to understand

But you never would, would you?

When the time came
For stayin' together
You refused to even
Talk about for ever
It was easy telling me
You love me
And I was a little late in
Finding out the truth

The rule of love was there
You had to bend it
Now the damage is done
It's impossible to mend it
I can't mend it

Now it's your turn to remember
It's your turn
To feel a little pain

I feel a little better
Talkin' about her
Yet her memory's not good for me
The skies are not so grey now
I've found a new tune to play now
It's a better song
It'll be followin' on

And when the time came
For stayin' together
You refused to even
Talk about for ever
It was easy telling me
You love me
And I was a little late in
Finding out the truth

The rule of love was there
But you had to bend it
Now the damage is done
It's impossible to mend it
You know I can't mend it

Now it's your turn to remember
It's your turn
To feel a little pain, come on babe

It's your turn to remember
Your turn
To feel a little pain

It's your turn to remember
Your turn
To feel a little pain

Your turn to remember
Your turn
To feel a little pain

Your turn to remember
Your turn
To feel a little pain

SHOWDOWN

It's gonna happen
Before too long
It's gettin' hard to tell
Who's right and who's wrong
I can see it comin'
So I gotta be strong

There's gonna be a showdown
There's gonna be
Changes in this town
We're gonna see a showdown

A time's gonna come
In the future when
A whole lotta people
Gonna think again
We're gonna keep right on
Till you break and then

There's gonna be a showdown
There's gonna be
Changes in this town
We're gonna see a showdown

Do you want to be out of touch
Only you can decide
For something different
You're out of luck
'Cause on we will ride
On we're gonna ride
Ride on, oh, ride on
Come on

The music explodes
Like a gun in your hand
We're gonna give you more
Than your head can stand
Then we'll sit down
And talk man to man

There's gonna be a showdown
The're gonna be
Changes in this town
We're gonna see a showdown

There's gonna be a showdown
Gonna see
Changes in this town
We're gonna see a showdown

Showdown ...

WHY DID YOU GO

I woke up today
With my head in daze
'Cause my love had gone
With nothing to do
Just to dream about you
And how we went wrong

But oh, why did you go
I loved you so
Didn't you know

I walk into town
With my head hangin' down
Tryin' to hide my pain
The people I meet
As I float down the street
Tell me try, try again

But oh, why did you go
I loved you so
Didn't you know

When I remember how good it was
It makes me cry
'Cause my life's been
Turned upside down
All I want is someone
But how do you say
Please will you stay
Please will you stay

I'll settle down to a life
Of a clown to remain alive
I'll work till I bleed
And if I can succeed
Maybe I'll survive

But oh, why did you go
I loved you so
Didn't you know

Oh, why did you go
I loved you so

A YEAR OR DAY

Seen from the height
Of a thousand miles
The earth looks the same as it did
How is it we can fly faster than day
But we can't find the things we need

Young man, said the old man
Let the youth in your heart be at rest
We may all be dead
In a year or a day
When the devil is put to the test ...

The day of creation
Was our finest hour
It's something we ought to defend
But it's been so abused
Since the first day of light
That no glory can come in the end

Young man, cried the old man
There is victory in staying alive
And if you care so little
For the world we're in
Why and what do you
Want to survive

Can't we try
To let the past go by
With it's lessons firmly
Settled in our minds
To our children one by one
And before the darkness comes
Let us leave a world full of light
Of a different kind

In truth they should meet
And with love
Their hearts should beat
And with patience
Solve the problems of our time
It wouldn't be so hard to do
It's only up to me and you
Let us not bequeath
A life that is a crime

Seen from the height
Of a thousand miles
The earth looks the same as it did
How is it we can fly faster than day
But we can't find the things we need

Young man, cried the old man
Let the youth in your heart be at rest
We may all be dead
In a year or a day
When the devil is put to the test

Young man, cried the old man
Let the youth in your heart be at rest
We may all be dead
In a year or a day
When the devil is put to the test

Young man ...

ADDITIONAL SONGS:

SHOUT IT OUT

Released as single b-side, included bonus track on RETURN TO FANTASY cd.

She took me for a ride in her car
From the moment it started I knew
We wouldn't get far
That didn't matter it seemed
Though I knew it went schemed
And it was just like a dream

Oh, the joy of love was brand
That's when I heard
The little birds sing
The day I first met my love
Oh, the day I first met my love

Then we went walking in the park
Away with the day
Till the day became dawn
Man hand in hand with the son
Laughed at the rain
When it came along

Oh, the joy of love was brand
As well as the birds
As well as stars would sing
The day I first met my love
Oh, the day I first met my love

Am I really standing here with you
Are you telling me you love me too
Will it grow
Can we let the world know
Put it about, shout it out

Am I really standing here with you
Are you telling me you love me too
Will it grow
Can we let the world know
Put it about, shout it out
The day I first met my love ...

THE TIME WILL COME

Released as a single b-side, included as a bonus track on RETURN TO FANTASY cd.

Riding on together, forever till the end
Some people try to come between us
But we know they're not our friends

Riding on together
Forever till the end
Some people try to
Come between us
But we know they're
Not our friends

So come on join our party
Let the hours slip on by
No more cares or worries
No more asking yourself why

Can you hear us, can you hear us
We're never far away
Can you hear us, can you hear us
This is all we have to say

All our love is true
Even just for you
Don't push us away
Like we're of yesterday
We never ask for more
And we give in return

The time will come
When everyone will listen
The time will come
When everyone will care
Just look ahead
What we said will glitter
Like a jewel sailing softly
Through the air

With everything to live for
Sometimes you're
Seeing just ahead
Wear your vision and find
That you're together
In five different ways

The time will come
When everyone will listen
The time will come
When everyone will care
Just look ahead
What we said will glitter
Like a jewel sailing softly
Through the air

HIGH AND MIGHTY 1976

ONE WAY OR ANOTHER

There's been some
Changes in my time
But this one's playing
Games with my mind
Stopped in my tracks
No thought of looking back
The lady's got me tied up
But I've already made my mind up
One way or another
She'll be mine

It wasn't anything I could define
None of those ringing bells
Giving me a sign
I just took a look
But I was on the hook
The lady's got me tied up
Don't know how it's gonna wind up
One way or another
Gonna be all right

I'm beginning to think
That a forever kind of love
Is the kind of love
I'll look for forever
But still I'll love and love again
One way or another
I will find my friend

I knew some day my heart
Would lead my head
Beyond the path
My chosen life had led
I'd been so sure
But where is the cure
The lady's got me real good
Bet you can't say
What I should do
One way or another
It's all over now

One way or another ...

WEEP IN SILENCE

You who thought
Your eyes could tell no lies
So your life became a compromise
And it was you
Who had seen men dyin'
You heard their children cryin'
While their women weep in silence

And you who thought
You were so wise
Succeeded only in disguise
Now and then
You'd find a bridge to cross
Reach the other side
And you'd still be lost
Evaded by the sweet smell of life

And the people that you try
To show the way
Never believe you
Never believe you - no way

And the people that you try
To show the way
Never believe you
Never believe you - no way

And the people that you try
To show the way
Never believe you
Never believe you - no way

And the people that you try
To show the way
Never believe you
Never believe you

And you who thought
You were so wise
Succeeded only in disguise
Now and then
You'd find a bridge to cross
Reach the other side
And you'd still be lost
Evaded by the sweet smell of life

While your women weep in silence
Your women weep in silence
Women weep in silence

MISTY EYES

I was missing my
Little Miss Misty Eyes
She made my life complete
I'd been waiting on
True love's sweet surprise
And it tasted so sweet
Oh it tasted so sweet

I could hear
The sound of the love bell
Told me all it could tell
And the sight of the blue moon rising
Told me all was well
Told me all was well

I was just driftin'
As a wind blown wave
Like a stricken ship
I thought I'd never be saved
So far below me
There seemed so much more
Yet a man has to know
What he's looking for

Something unknown
Kept my life turning around
But I couldn't get near to
Putting my feet on the ground
With all that I had
Any man would be glad
But my everything was nothing
So what made me sad

I was missing my
Little Miss Misty Eyes
She made my life complete
I was waiting on
True love's sweet surprise
And it tasted so sweet
It tasted so sweet

I could hear
The sound of the love bell
Told me all it could tell
And the sight of
The blue moon rising
Told me all was well
Told me all was well

Farewell to that same lonely road
I've seen the last of
That heavy load
No more blues about paying dues
It's time for reaping
All the seeds I sowed

I was missing my
Little Miss Misty Eyes
She made my life complete
I was waiting on
True love's sweet surprise
And it tasted so sweet
Oh, it tasted so sweet

I could hear
The sound of the love bell
Told me all it could tell
And the sight of
The blue moon rising
Told me all was well ...

MIDNIGHT

I just lay down wonderin'
What to lay down
Lately I can do it
Every day undisturbed
I think I know what
But I can't find out how
The morning didn't show me
What it was worth

Miles and miles of smiles
Getting me nowhere
Opportunities I just can see
Can't lead me to the slaughter
'Cause I'll already be there
I've been up that street
And I know what's waiting for me
Just waiting

Midnight - it was midnight
Moonlight - and the moon was bright
Day into day
No escape I must stay
Midnight - show me the way
Show me the way
Give me something to play
Something to play
To help me make the new day

Take me out of the darkness
Into the light
I've no friends to stand by me
Here in the night
It's an affair of
A sad and weary heart
Take me out of the darkness
Back to the start

I just lay down wonderin'
What to lay down
Lately I can do it
Every day undisturbed
I think I know what
But I just can't find out how
The morning didn't show me
What it was worth

YOU CAN'T KEEP A GOOD BAND DOWN

I can't believe y'all are still sayin'
We're a long way from rock'n'roll
You won't look for the good
In the tunes we're playin'
Prefer to say we got no soul

But day after day in town after town
People say we're doin' alright
We play and we stay boogyn' down
And rockin' on into the night

It's breath and words
And time you're wastin'
When you should be tryin'
To have a good time
For a good few years
It's been yours we've tasted
So here's a little piece of our mind

We'll roll and we'll roll
And we'll roll and we'll roll
Till we run out of reason to try
If it happens you don't approve
It don't matter we won't ask why

You can't keep a good band down
You'll never find the solution
You won't stop us runnin' around
You're dealin' with an institution

We'll fill our cup with wine while you
Fill your head with high ideals
You know so much
But you still can't touch
Till you find out how it feels

It'll take much more
Than the high and mighty
To bring down the king of the road
We could still be friends
And quit this fightin'
And let the real story be told

You can't keep a good band down
You'll never find the solution
You won't stop us runnin' around
You're dealin' with an institution

You can't keep a good band down
You'll never find the solution
You won't stop us runnin' around
With your paragraphs of pollution

You can't keep a good band down
You'll never find the solution
You won't stop us runnin' around
You're dealin' with an institution

You can't keep a good band down
You'll never find the solution
You won't stop us runnin' around
With your paragraphs of pollution

You can't keep a good band down ...

WOMAN OF THE WORLD

Did you ever meet
The kind of a lady
She lives her whole life
Saying maybe
Running here and there
As she pleases
Not a thought
For the social diseases

Though she never
Thinks of settling down
She'll spend time
Turning your head around
But don't let your heart start dancing
The lady don't
Waste no time romancing

Are you mine or are you
The woman of the world
Are you really so different
From all the other girls
Do you care that I care
About the things that you do
Does anything matter to you
Does anything matter to you

Once in a garden of glory
Someone sowed
The seeds of this story
And the whole thing began
With a woman and a man
Still it's something
No one understands

Are you mine or are you
The woman of the world
Are you really so different
From all the other girls
Do you care that I care
About the things that you do
Does anything matter to you
Does anything matter to you

FOOTPRINTS IN THE SNOW

Just like footprints in the snow
Who knows where my heart will go
Will it lead me to you
Or will I see another empty day

Seasons come and quickly go
Kinda makes me
Wonder if they know
Why my heart keeps
Running near and far
If only they could tell me
Where you are

If you've ever been in love
Then you'll know the rocky road
I've been speaking of
You'll remember when
The times were good
And the times
You had to do without

Think carefully my friend
It may look like a start
But it could be the end

I'm not trying to bring you down
I'm just so tired of hangin' around
I won't make
The same mistake again

If you've ever been in love
Then you'll know the rocky road
I've been speaking of
You'll remember when
The times were good
And the times
You had to do without

Think carefully my friend
It may look like a start
But it could be the end

Think carefully my friend
It may look like a start
But it could be the end

Think carefully my friend

CAN'T STOP SINGING

I can't stop singing
I can't see the end
Just a new beginning
As long as I keep on trying
I'll survive just fine
Free to take my time

Ridin' the moon in the midnight sky
I can see through
The man who lies with eyes
And the real thing that's wrong is
He has no song to lean on

So I'll take my time
Just to give you my rhyme
To try to be sure and open the door
'Cause there's much more to life
Than a day and a night to dream on

I can't stop singing
I can't see the end
Just a new beginning
As long as I keep on trying
I'll survive just fine
Free to take my time

Now I ain't confessin'
To same kind of blessin'
I'm trying to say
Why I'm happy today
I'm not preachin', teachin',
Makin' some speech in dedication

'Cause it's no good me sayin'
Where the blame should be layin'
For with that kind of reason
It comes out the same
With an ear to the ground
Each day I found inspiration

I can't stop singing
I can't see the end
Just a new beginning
As long as I keep on trying
I'll survive just fine
Free to take my time

I can't stop singing
I can't see the end
Just a new beginning
As long as I keep on trying
I'll survive just fine
Free to take my time

MAKE A LITTLE LOVE

I walked you to your doorstep
Believin' we could make a little love
And I let you have my heart
I was as certain as the stars above

Looked here and there
Every everywhere
I even searched beyond the dawn

But you were nowhere to be found
And I was going round and round
Lost like I'd never been born

I walked you to your doorstep
Believin' we could make a little love
And I let you have my heart
I was as certain as the stars above

Time after time
I've lost my love for a rhyme
A reason seemed good enough
You always put me down
While you made me run around
I can't take anymore of that stuff

I walked you to your doorstep
Believin' we could make a little love
And I let you have my heart
I was as certain as the stars above

Time after time
I've lost my love for a rhyme
And my reason
Seemed good enough
You always put me down
And you make me run around
I can't take anymore of that stuff

I walked you to your doorstep
Believin' we could make a little love
And I let you have my heart
I was as certain as the stars above

I walked you to your doorstep
Believin' we could make a little love
And I let you have my heart
I was as certain as the stars above

CONFESSION

I'm so sorry for the things I've done
And the times it went a little wrong
Try to understand
That I've made my plans
With my love for you in mind

Sometimes you get the wrong idea
And I can't seem to make it clear
If my heart doesn't show
It's 'cause I don't know
The best way to say I love you

Every living day
You fill my heart
With a breath of spring
And I search the universe
For some joy
That I can bring to you

Every living day
You fill my heart
With a breath of spring
And I search the universe
For some joy
That I can bring to you

NAME OF THE GAME

Out-take, included as a bonus track on remastered HIGH AND MIGHTY cd.

Here comes trouble
In the shape of a lady
She started cool but now
She's coming around daily
About being my baby
It's her game
With the name of love

Now she's sure pretty
That I have to confess
But no five-star fox is
Getting me in a mess
Let's buy a ring, she says
Let's go and get blessed
It's her game and she calls it love

Rock and roll rules my soul
Pushing everything and everyone
To one side
But when all grows old
Chill's still cold
When I sing with my sweet guitar
When I sing with my sweet
My sweet guitar

Don't waste your tears on me
Go cry in the river
What you need I ain't
About to deliver
I'm my own man and
That's how I'm gonna stay
'Cause music is
The name of the game

Rock and roll rules my soul
Pushing everything and everyone
To one side
But when all grows old
The chill's still cold
While I sing with my sweet guitar
While I sing with my sweet
My sweet guitar
While I sing with my sweet guitar ...

SUNDOWN

Out-take, included as a bonus track on remastered HIGH AND MIGHTY cd.

I'll see you at sundown
You can't back out now
The news is all over town
I'll see you at sundown
And they can put one of us
In a hole in the ground

Now it's three in the afternoon
And I'm frightened to death
When you're in the saloon
I wonder if he feels the same
For whoever wins there's still
The cowboy to blame

Sundown, give me some strength
I know I can't go it alone
Sundown, give me your strength
Give me a chance to go home
To go home

Three in the afternoon
And I'm frightened to death
When you're in the saloon
I hear the reverend feels the sin
For whoever wins there's still
The cowboy to blame

Sundown, give me some strength
I know I can't go it alone
Sundown, give me your strength
Give me a chance to come home

Sundown, give me some strength
I know I can't go it alone
Sundown, give me your strength
Give me a chance to come home

Sundown, give me some strength
I know I can't go it alone
Sundown, give me your strength
Give me a chance to come home

Sundown, give me some strength
I know I can't go it alone
Sundown, give me your strength
Give me a chance to come home

FIREFLY 1977

THE HANGING TREE

Passing through the arms of Satan
Reaching for the hands of God
Robbing every mind for wisdom
Running so he won't get caught
He's outlawed by majority
Been branded all his life
Some say that he's a sinner man
As he rides from day to night

He's a bad man, so they say
Living for his love and living free
Riding swift and secretly
So he'll miss the hanging tree
Wounded spirit on the wind
Riding to his dream and destiny

He's laughing at the wanted posters
 Calling for his friends to see
 Laughing aloud as he rides away
 Kicking up the dust with speed
 Time hands him down a pathway
 And freedom is a horse he rides
 Glory is a dream he's after
 And fortune is his heart's delight

He's a bad man, so they say
 Living for his love and living free
 Riding swift and secretly
 So he'll miss the hanging tree
 Wounded spirit on the wind
 Riding to his dream and destiny

Riding swift and secretly
 So he'll miss the hanging tree
 Wounded spirit on the wind
 Riding to his dream and destiny

Riding swift and secretly
 So he'll miss the hanging tree
 Wounded spirit on the wind
 Riding to his dream and destiny

BEEN AWAY TOO LONG

I'm coming home
 I've been away far too long
 I'm leaving it up to you
 To understand

You may wonder why
 When it was me who said
 The last goodbye
 But cannot change my mind
 One more time

It's high time
 I can't wait any longer
 It's my time to find out
 Who I belong to
 It's breaking my heart
 Waitin' for another day

When the time comes
 You won't see me around
 I've been patient
 Standing my ground
 Gotta see you and hold you
 Hear what you have to say

Do you wake up in the morning
 Wantin' me
 The way I wake up wantin' you
 And in the same breath
 You keep hauntin' me
 Does it ever occur to you
 I've been in love too long
 To stop now, oh
 I've been away too long
 I've been away too long

If you've ever cried
 Then you'll know the pain
 You felt inside
 And just like me you pray
 It's all untrue

But time alone will tell
 If you have learned
 Life's lessons well
 And maybe then you'll know
 What I should do

Been away
 I've been away
 I've been away too long
 I've been away too long
 I've been away too long
 Too long, much too long
 Much too long

WHO NEEDS ME

I don't take life for granted
 'Cause you know that
 Life won't grant you back
 The feelings on the love
 That you once had

You've taken me for granted
 'Cause you know
 I'm a lover just like you
 And I'll do anything
 You want me to

Who needs me?
 Who needs me now?
 You'll find someone
 How you'll find one

Who needs me?
 Who needs me now?
 You'll find another but no better

You can't argue with me now
 I needed you and
 You did not know how

Don't let go of something
 That is good when
 I'll tell you it's bad
 Let 'em hear the story
 Make 'em sad

And if the price of love
 Can cost you less than
 When it first began
 I guess that you won't
 Find a better man

Who needs me?
 Who needs me now?
 You'll find someone
 How you'll find one

Who needs me?
 Who needs me now?
 You'll find another but no better

You can't argue with me now
 I needed you and
 You did not know how'

You can't argue with me now
 I needed you and
 You did not know how

Who needs me?
 Who needs me now?
 You'll find someone
 How you'll find one

Who needs me?
 Who needs me now?
 You'll find another but no better

You can't argue with me now
 I needed you and
 You did not know how'

Who needs me ...

WISE MAN

I sat before the wise man
 In the autumn of my youth
 And I told him all
 The things I had to know
 He said you have the future
 If you need to find the truth
 And in his eyes I saw that it was so

So I came right out
 And asked him
 The meaning of life
 And as he smiled
 I saw a twinkle in his eye
 He said with all his years
 There's still so much
 He has to learn
 And once again
 I saw that it was so

Keep on living, loving
 Waiting your turn
 It's the only way to
 Ease your concern
 If you want to find
 Your dream, be sure
 You don't wake up too soon
 Or you'll find it easier
 Shooting for the moon

Wise man, wise man
 Which way shall I run
 There's so many roads
 So many ways to turn
 I am like a blind man
 Lost in the sun
 I wanna be like you
 And be a wise man too
 But I'm looking for
 An easy way to learn

Wise man, wise man
 Which way shall I run
 There's so many roads
 So many ways to turn
 I am like a blind man
 Lost in the sun
 I wanna be like you
 And be a wise man too
 But I'm looking for
 An easy way to learn

Oh wise man ...

I wanna be like you
And be a wise man too
I wanna be like you
And be a wise man too
I wanna be like you

Wise man, wise man
Which way shall I run
There's so many roads
So many ways to turn
I am like a blind man
Lost in the sun
I wanna be like you
And be a wise man too
I wanna be like you
And be a wise man too
But I'm looking for
An easy way to learn

DO YOU KNOW

All you seem to do want to do
Is break my heart
Seems to me
We're a lot better off apart
Time was when you took
A pride in puttin' me down
We'll I've some news for you
That's gonna turn ya around

I got no time for no crazy lady
And the games you wanna play
'Cause a love like mine's
Gonna take some time
You can't save it for a rainy day

Well, do you know
Do you know
Do you know what
I'm trying to say
Love's not a game
It's never the same
You gotta live your love
From day to day

Lonely days are long and
Sad nights are so black
Then I get right down thinkin'
Maybe I could take you back
Till at mornin' light
A new face appears at my door
As a kinda reminder that
I ain't seein' you no more

I got no time for no crazy lady
And the games you wanna play
'Cause a love like mine's
Gonna take some time
You can't save it for a rainy day

Well, do you know
Do you know
Do you know what
I'm trying to say
Love's not a game
It's never the same
You gotta live your love
From day to day

I got no time for no crazy lady
And the games you wanna play
'Cause a love like mine's
Gonna take some time
You can't save it for a rainy day

Well, do you know
Do you know
Do you know what
I'm trying to say
Love's not a game
It's never the same
You gotta live your love
From day to day

Do you know
Do you know
Do you know what
I'm trying to say
Love's not a game
It's never the same
You gotta live your love
From day to day

Do you know
Do you know
Do you know what
I'm trying to say
Love's not a game
It's never the same
You gotta live your love
From day to day

ROLLIN' ON

It came as the daybreak
Must surely arrive
Opened my eyes just
To be sure I was alive
Another day
They're much the same
Twentyfour hours for me
To try again
I'm rollin' on, I'm rollin' on
I'm rollin' on, I'm rollin' on

It came as a judgement
We all have to face
Fickle hour you bring me joy
You bring me disgrace
I'll take your challenge
Man against emotion
I'll wager my beliefs
Against my sin
I'm rollin' on, I'm rollin' on
Well, I'm rollin' on

Rollin' on and on and on forever
Yes, I am
Rollin', rollin', rollin' on together
Rollin' on and on and on forever
Rollin', rollin', rollin' on

Yes, I'm rollin' on
To where I don't care
Crystal ball
You let me down again
Rollin' down a road
I've never seen

Meeting people
Seeing places I've never been
I'm rollin' on, I'm rollin' on
I'm rollin' on, I'm rollin' on

Rollin' on and on and on forever
Yes, I am
Rollin', rollin', rollin' on together
Rollin' on and on and on forever
Rollin', rollin', rollin' on together

I'm rollin' on, I'm rollin' on
I'm rollin' on, I'm rollin' on
Crystal ball
You let me down again
I'm rollin' on ...
Well, I'm rollin' ...

SYMPATHY

Sympathy just doesn't mean
That much to me
Compassion's not
The fashion in my mind
And if you're looking for
A shoulder to cry on
Don't turn your head my way
'Cause I'd rather have
My music any day

You and I are
Masters of our destiny
We look for consolation all the time
Until we find out things are not
What they were meant to be, oh no
And if it doesn't suit our mood
We'll call it crime

Dedication's not an obligation
Or a figment of
Someone's imagination
It's the only way they say
To live from day to day
To make each passing way
A small sensation

Dreams are the possession of
The simple man
Reality the fantasy of youth
But living is a problem that
Is common to us all
With love the only
Common road to truth

Dedication's not an obligation
Or a figment of
Someone's imagination
It's the only way they say
To live from day to day
To make each passing way
A small sensation

Dedication's not an obligation
Or a figment of
Someone's imagination
It's the only way they say
To live from day to day
To make each passing way
A small sensation

FIREFLY

My love lives at
The end of a rainbow
One day I'm gonna
Fly there on a firefly
High above white angry water
With a love song in my heart

Someday, somehow
I know I'm gonna get there
I've been patient for so long
All my daydreams
Seem so much nearer now
And I beg you hear my song

Firefly
On your glowing wings I'll ride
Till I sit beside
This dream of mine
Firefly, high on a risin' tide
Only wanna touch
The things I've seen

Steppin' lightly from star to star
Cross a wilderness of blue
Wonderin' how much
In love with me you are
'Cause I'm so much in love with you

Firefly
On your glowing wings I'll ride
Till I sit beside
This dream of mine
Firefly, high on a risin' tide
Only wanna touch
The things I've seen

Firefly, can you take me
I ain't had no lovin' lately
Firefly bring me love

To my new horizon
The one that I've still
Got my eyes on, my my firefly
Firefly ...

To my new horizon
The one that I've still
Got my eyes on, my my firefly
Firefly ...

In my dreams you come to me
The answer to my prayer
As I begin to feel
You warm my heart
I awake and you're not there

Now and then I see your eye
As the stars begin to shine
No rain to cool my passion
No! Not now!
No, now you're mine!

Firefly
On your glowing wings I'll ride
Till I sit beside
This dream of mine
Firefly, high on a risin' tide
Only wanna touch the things I've seen

ADDITIONAL SONGS:

CRIME OF PASSION

Released as a single b-side, included as a bonus track on remastered FIREFLY cd.

See the blind man
At the dead of night
He can see, so he won't fight
Running scared like a swan in flight
On and on, looking for delight

But it's you, he'll hear you running
As this blind man tells the blind

See the children in the jungle zone
Black man woken
Till your work is done
He can't hide
There's nowhere to run
Waiting for salvation to come

And it's you, coming from far
Got a lonely mind to sell

Crime of passion, crime of pain
How long before I see you again
I've been free and I've been high
Got a soul, never ask my why

See the blind man
At the dead of night
He can see, so he won't fight
Running scared like a swan in flight
On and on, looking for delight

But it's you, he'll hear you running
As this blind man tells the blind

Crime of passion, crime of pain
How long before I see you again
I've been free and I've been high
Got a soul, never ask my why

Crime of passion, crime of pain
How long before I see you again
I've been free and I've been high
Got a soul, never ask my why

Crime of passion, crime of pain
How long before I see you again
I've been free and I've been high
Got a soul, never ask my why

Crime of passion, crime of pain
How long before I see you again
I've been free and I've been high
Got a soul, never ask my why

A FAR BETTER WAY

Out-take, released for the first time on A TIME OF REVELATION compilation. Included as a bonus track on remastered FIREFLY cd.

Seeing you here
All of my fears seem to
Drift right away
Seeing you smile
Checking out your style
I begin to hope you'll stay
Stay awhile so we can play

Lost in a dream
That's becoming a nightmare
Day by day
It's my love and my life
And somewhere between them
There's a road
And it's a far, a far better way

Out of nowhere came this vision
Of you and me together
Looking for a far better way
Then from nowhere
You came running
Look out, world
There's something coming
I've suddenly found
A lot of things to say

Now we'll sing our tune together
This way it's a whole lot better
We're out to prove
There is a place for love
Then from somewhere
We'll come running
Look out, world
There's something coming
I think we've found
A far better way

Out of nowhere came this vision
Of you and me together
Looking for a far better way
Then from nowhere
You came running
Look out, world
There's something coming
I've suddenly found
A lot of things to say

Now we'll sing our tune together
This way it's a whole lot better
We're out to prove
There is a place for love
Then from somewhere
We'll come running
Look out, world
There's something coming
I think we've found
A far better way

Out of nowhere came this vision
Of you and me together
Looking for a far better way
Then from nowhere
You came running
Look out, world
There's something coming
I've suddenly found
A lot of things to say

Now we'll sing our tune together
This way it's a whole lot better
We're out to prove
There is a place for love
Then from somewhere
We'll come running
Look out, world
There's something coming
I think we've found
A far better way

I think we've found

I ALWAYS KNEW

Out-take, included as a bonus track on expanded de-luxe edition FIREFLY cd.

Well, you don't have to tell me why
I've a feeling that I know that guy
I always knew I'd never keep you long

It's funny how times have changes
It used to be me, it felt so strange
I always knew I'd never keep you long

I love you as part of my life
You know you're the one I adore
It's simple but I've never made
This mistake before

I love you as part of my life
You know you're the one I adore
It's simple but I've never made
This mistake before

Won't you try to give me one more
chance
Even though you say it's lost romance
I always knew I'd never keep you
Never keep you, never keep you long

Understand what I'm trying to say
I'm giving you my life night and day
I always knew I'd never keep you long

Understand what I'm trying to say
I'm giving you my life night and day
I always knew I'd never keep you long

INNOCENT VICTIM 1977

KEEP ON RIDIN'

Keep on ridin' ...

By tomorrow morning
At the early dawn
I gotta hit the road
So long lady
Till another day, right now
I gotta be movin' on
There's another town and
The singer needs a song

I know you're on your own
I'll be back before too long
I gotta do what I gotta do
And you know how
My heart loves to run, I gotta ride

Keep on ridin'
Keep on ridin' now
Keep on ridin'

There's a city waiting
And a railroad station
Where my face is known
And an old hotel
That I know so well
It's a little bit like home

It's a situation
Not of my own choosing
And though a gamblin' man
Would say that I was losing
I started out to win

And I'll do it again
I'm never givin' in
'Cause if it comes down
To my heart, or to my pride
I'm gonna ride

Keep on ridin', keep on ridin'
Keep on ridin', yeah
Keep on ridin', keep on ridin'

And I know you say
I'm driftin', driftin' on a dream
You'd better watch your step boy
It may not be what it seems
I just can't shake
This feeling here inside
This heart of mine
Keeps tellin' me to ride, ride, ride

Keep on ridin'
Keep on ridin' now
Keep on ridin'
Keep on ridin' yeah
Keep on ridin' ...

FLYIN' HIGH

I'm flyin' high
And I know the reason why
'Cause the wind of change
Has blown my way
And you love me
As much today as I love you
Honey, as I love you

I used to think
That love was all so strange
There was something
That I used to ease the pain
Though at times
It seems it hurts to touch
It's never gonna hurt
As much as no love at all
Honey, as no love at all

Flyin' high, it's a crazy feeling
Flyin' high
'Cause I've learnt the meaning of love
Flyin' high it's a crazy feeling
Flyin' high 'cause I believe in love

Flyin' high, it's a crazy feeling
Flyin' high
'Cause I've learnt the meaning of love
Flyin' high it's a crazy feeling
Flyin' high 'cause I believe in love

I'm flyin' high
And I guess I know the reason why
'Cause the wind of change
Has blown my way
And you love me
As much today as I love you

Honey, as I love you

I'm flyin' high
I'm flyin', flyin', flyin'
I'm flyin' high
And I know the reason
I'm flyin' high ...

ROLLER

Oh where is she woman
She's only here for the sun
It's now you'll discover
She's only here for the fun

And who will move over
Sweet talker choosin' her side
And it's then, it's all over
She's just along for the ride

She's a roller
She's just a roller
Bet she'll roll her life away

One town is just like another
One man will just never do
Don't turn around
When she calls out your name
She's gonna break you in two

But she's a roller
She's just a roller
Rolling time come today

She's a roller
She's just a roller
Bet she'll roll her life away

Oh where is she woman
She's only here for the sun
It's now you'll discover
She's only here for the fun

And who will move over
Sweet talker choosin' her side
And it's then, it's all over
She's just along for the ride

She's a roller
She's just a roller
Bet she'll roll her life away

But she's a roller
She's just a roller
Rolling time come today

She's a roller
She's just a roller
Bet she'll roll her life away

She's a roller
She's just a roller
Bet she'll roll her life away

One town is just like another
One man will just never, never do
Don't turn around
When she calls out your name
She's gonna snap you in two

FREE 'N' EASY

Ain't it strange
That when you're onely
And your friends they're not around
So you make your big decision
Get your feet back on the ground

When you're down
And no one wants you
And you wonder who you are
When your friends
They don't desert you
When you make it you're a star

But I'm gonna stay
Free and easy
I know just what I am
I'm gonna be free and easy

Well, I've been through
All the heartaches
And I've been through all the pain
But when you're up and riding high
Everybody stakes their claim

But I'm gonna stay
Free and easy
I know just what I am
I'm gonna be free and easy

I'm gonna be free and easy
I know just what I am
I'm gonna be free and easy

I'm gonna be free and easy
I know just who I am
I'm gonna be free and easy

I'm gonna be free and easy
I know just who I am
I'm gonna be free and easy

I'm gonna be free and easy!

ILLUSION

In a forest known as heartbreak
In a clearing in the wood
'Cross a pathway called confusion
Toward the garden of delight

You'll reach the river of desire
And meekly try and cross it
While the valley of love
Keeps avoiding you
Because it's only an illusion
Only an illusion

Upon the hill of high ideals
You begin to wonder if it's real
You are reaching sleep's oasis
You begin to wonder how you feel

But it happens so quickly
It doesn't fit into your scenes
Tossin' and turnin'
The star of so many scenes
It's only an illusion
It's only an illusion

It's only an illusion

FREE ME

Free me, free me
Why won't you free me
Free me from your spell
Come on and free me
Why won't you free me
Come on and free me
Free me from your spell

Why should I worry
That you might not love me
You're not the only love
That I've ever had
Your sweet memory
Will always comfort me
So why should I be feeling sad

As far as I can tell
You knew so well
I was always
At the end of the line
I've loved you as much
As any man can
But not enough
To make you mine

So long, easy rider
I know I'll miss you for awhile
But sooner or later
I know that I'll forget you
And I tell you babe

Free me, come on and free me
Why won't you free me
Free me from your spell
Oh babe, free me
Why won't you free me
Come on and free me
Free me from your spell

We let a good love die
We let it pass us by
Though you tried to
Keep me hangin' on
But with all this doubt
It'll never work out
So tomorrow I'll be travellin' on
And saying:

So long, easy rider
I know I'll miss you for awhile
But sooner or later
I know that I'll forget you
And I beg it babe

Free me
Come on and free me
Why won't you free me
Free me from your spell
Come on and free me
I'm on my knees, babe
Free me
Why won't you free me
Free me from your spell

Free me
Oh babe, come on
Come on and free me
Why won't you free me
Free me from this spell

CHEAT 'N' LIE

Well, it seems to me
That I've been cheated
And it would appear
That I've been lied to
All the promises
That you repeated
Were never destined
To come true

When I stop to think
How I once trusted you
It's harder still
To bear this doubt
I'm a innocent victim of
Heartbreaking circumstance
And I still can't get it figured out

'Cos all you did was cheat and lie
Now you're gone and made me cry
When my heart is heavy and
I just can't get it straight
Just the way you made me feel
A wound that only time can heal
Won't you take a little time
To show me my mistake

Well, it seems to me
That I've been cheated
And it would appear
That I've been lied to
All the promises
That you repeated
Were never destined
To come true

'Cos all you did was cheat and lie
Now you're gone and made me cry
When my heart is heavy and
I just can't get it straight
Just the way you made me feel
A wound that only time can heal
Won't you take a little time
You know you gotta
Show me my mistake

'Cos all you did was cheat and lie
Now you're gone and made me cry
When my heart is heavy and
I just can't get it straight

Just the way you made me feel
A wound that only time can heal
Won't you take a little time
You know you gotta
Show me my mistake

THE DANCE

See the picture in the hall
Framed in magic on the wall
Ain't it funny how it glows
What's on the inside
No one knows
What makes this picture
So inviting
To those who stand outside it

Maybe it's the dancers
Or maybe it's the dance
The dancer dances

Thousands fill the gallery
They pay their price to see a dream
They can make believe for free
Two hours' worth of fantasy
Maybe they pretend
The picture's them
Or maybe they just love
To sit and blend

Maybe it's the dancers
Or maybe it's the dance
The dancer dances

Tonight the picture has no frame
Colours unleash and float away
To each and everyone of you
Tonight the spirit brings the news
You become a part of it all
Thousands turn to one in the hall

You become the dancer
And we become the dance
The dancer dances

The dancer dances
The dancer dances
And we become the dancer
And you become the dance

CHOICES

I was walking all alone
Through a sideshow
With passion and pain
On each side
Something inside me was calling
For a chance to stay alive

At the time I didn't know
What was calling
As my head was buried in grief
Today I heard what was crying
My freedom calling me

And we all make our choices
Like a blind man feels his way
And the choice I've made is simple
Passion over pain

When I got to
The end of the sideshow
And looked back
To where I had been
My eyes filled with
Teardrops of loneliness
For the ones
Who will never be free

And we all make our choices
Like a blind man feels his way
And the choice I've made is simple
Passion over pain

I thought of the children in the sideshow
As they wandered around so confused
Some day they'll make their decision
But which one will they choose

And we'll all make our choices
Like a blind man feels his way
And the choice I've made is simple
Passion over pain

And we'll all make our choices
Like a blind man feels his way
And the choice I've made is simple
Passion, passion over pain

And we'll all make our choices
Like a blind man feels his way
And the choice I've made is a simple one
Passion over pain

And we'll all make our choices
Like a blind man feels his way
And the choice I've made is simple
Passion over pain

MASQUERADE

Released as a single b-side, included as a bonus track on remastered INNOCENT VICTIM cd.

A masquerade of dancing shadows
Appear before me
Through my mystic window
And soon to be seen
I saw presented
Became a vision that
I saw resented

I stood and watched
Its image changing
The unseen hand was rearranging
And all the time I wondered
How did it wind

Slowly, surely it unfolded
Its simple lines just as
A pole wind told it
A temporary revolution
My problems rose and fell
With a lapse of illusion

My mind was telling me, don't fight it
It's just a hazard in the night
Don't do those
Who've lost their way
It's a masquerade

Slowly, surely it unfolded
Its simple lines just as
A pole wind told it
A temporary revolution
My problems rose and fell
With a lapse of illusion

My mind was telling me, don't fight it
It's just a hazard in the night
Don't do those
Who've lost their way
It's a masquerade

Masquerade, it's a masquerade
Masquerade, a hazard in the night
Masquerade, don't want no revolution

THE RIVER

Out-take, released for the first time on A TIME OF REVELATION compilation. Included as a bonus track on remastered INNOCENT VICTIM cd.

River, rising to hide
Across the midnight
Wanderin' westward by daylight
Take us and lead us to tomorrow
As fast as you come and can flow

River, you're windin'
An unending rhythm
The sooner keep
Movin' to warn him
The spirit that keeps
Us from sinking
Guide us from going astray

Point us a way
To a shoreline ahead
Through the mist and the fog
Of this valley of death
Too many years we have
Walked in a sleep
Now we're awoken and ready to flee

River, we hitchhikers
Beggin' for mercy
Survive us from yesterday's curses
Don't damn us
Before you receive us
We're needin' your face
And your trust

Point us a way
To a shoreline ahead
Through the mist and the fog
Of this valley of death
Too many years we have
Walked in a sleep
Now we're awoken and ready to flee

FALLEN ANGEL 1978

WOMAN OF THE NIGHT

Ride along lady woman of the night
Looking for a place to go
Dancing on storm clouds
Hiding from the light
Looking for an easy Joe

You just wanna play around
Searching for a higher ground

Walking every side street
Kicking up the leaves
Running from the pouring rain
Standing on the corners
Shaking from the cold
Only got yourself to blame

You just wanna play around
Searching for a higher ground

Someone who could
Make you happy
Someone who would care
You've broken your life
Beyond repair
You're reaching for every rainbow
You're wondering why
Don't reach out for love
'Cause it's a lie

You've got your number on the wall
Of some deserted station hall
Is this your only claim to fame
Will you just play your waiting game
But you won't stop the things you do
Some night the evil get to you

Someone who could
Make you happy
Someone who would care
You've broken your life
Beyond repair
You're reaching for every rainbow
You're wondering why
Don't reach out for love
'Cause it's a lie

Someone who could
Make you happy
Someone who would care
You've broken your life
Beyond repair

You're reaching for every rainbow
 You're wondering why
 Don't reach out for love
 'Cause it's a lie

FALLING IN LOVE

Falling keep on falling
 Keep on falling love
 Falling keep on falling
 Keep on falling love
 Falling keep on falling
 Keep on falling love
 Falling keep on falling
 Keep on falling love

Now I don't mind
 All this running around
 Seems I've been doing it
 Most of my life
 My music's been kind
 But some days I find
 It brings me two kinds of trouble
 And three kinds of strife

Falling keep on falling
 Keep on falling love
 Falling keep on falling
 Keep on falling love

So don't try to compare it
 'Cause I just want to
 Share it with some people
 I like to call friends
 There ain't nothing bad and
 No need to feel sad
 And there's certainly no need
 To make amends

It won't do you no harm and
 There's no cause for alarm
 I won't be praying for
 Help from above
 If the only thing
 Wrong with rock and roll
 Is that I keep on falling in love

Falling keep on falling
 Keep on falling love
 Falling keep on falling
 Keep on falling love
 Falling keep on falling
 Keep on falling love
 Falling keep on falling
 Keep on falling love

It won't do you no harm and
 There's no cause for alarm
 I won't be praying for
 Help from above
 If the only thing
 Wrong with rock and roll
 Is that I keep on falling in love

If the only thing
 Wrong with rock and roll
 Is that I keep on falling
 Keep on falling
 Keep on falling in love

Falling keep on falling
 Keep on falling love
 Falling keep on falling
 Keep on falling love
 Falling keep on falling
 Keep on falling love
 Falling keep on falling
 Keep on falling love

ONE MORE NIGHT (Last Farewell)

One more night ...

City lights are
 Burning in the distance
 Seems they're tellin' me
 To hurry home
 But I can't push these
 Wheels of mine no harder
 So hold on baby for
 One more night alone

One more night

There's time for me to take just
 One look over my shoulder
 One last glance at
 What's been going on
 'Cause I'll be there at
 First light in the morning
 We'll pick up the pieces
 And baby, then we'll be long gone

Pick up the pieces and run with me
 As fast as you can
 You know you always said
 I was the man
 Pick up the pieces, let's do it now
 Let's say our last farewell
 Tomorrow may be too late
 As far as I can tell

One more night

Pick up the pieces and run with me
 As fast as you can
 You know you always said
 I was the man
 Pick up the pieces, let's do it now
 Let's say our last farewell
 Tomorrow may be too late
 As far as I can tell

One more night

City lights are
 Burning in the distance
 Seems they're tellin' me
 To hurry home
 But I can't push these
 Wheels of mine no harder
 So hold on baby for
 One more night alone

One more night ...

PUT YOUR LOVIN' ON ME

Lady oh lady you're
 Driving me crazy
 You brought out the devil in me
 You turned on my fire
 With words of desire
 You sure put the lovin'
 Sure put the lovin' on me

You're sending me reeling
 With love that you're giving
 Spinning my poor heart around
 The feelings that should be
 Have finally saved me
 You sure put the lovin'
 Sure put the lovin' on me

Ain't no use in trying
 I never would deny that
 I love you love you
 Ain't no doubt about it
 I just can't live without it
 I love you love you
 Yes I love you, I really love you

Don't know what it is
 That you're putting down
 I only know it ain't no game
 I only know what you're doing to me
 And baby you're the one to blame

Ain't no use in trying
 I never would deny that
 I love you love you
 Ain't no doubt about it
 I just can't live without it
 I love you love you
 Yes I love you, I really love you

Lady oh lady you're
 Driving me crazy
 You're flying me high
 With your eyes
 There's no use in trying
 Ain't no use denying
 You sure put the lovin'
 Sure put the lovin' on me
 Yes, you did, sSure put your lovin'
 Sure put your lovin' on me
 Put your lovin', put your lovin' on me ...

COME BACK TO ME

Album version

Alone again, I feel so alone again
 With this emptiness I just can't hide
 Picture me with a broken heart
 See the tears run down my face

Everything I had has gone
 Everything is gone
 Loneliness still lingering on
 Everything I thought was mine
 Come back to me
 Can't we try it one more time
 Come back to me

I know I'll find another love in time
But you'll always be there
In the back of my mind
The power of love
Can bring such pain
I still love you, I just love you

Alone again, I'm so alone again
With nothing but you on my mind
Can't you see
What you've done to my life
What can I do to
Win you back again

Everything I had has gone
Everything is gone
Loneliness still lingering on
Everything I thought was mine
Come back to me
Can't we try it one more time
Come back to me

Come back to me
Take a peace of my heart
Baby come back to me
Come back to me
Don't you know that I love you, girl
Come back to me
Come running back to me
Don't you know that I love you, babe
Come back to me
Come on back to me
I feel alone, alone again
Don't you know that I love you, girl
Come back to me
Come running back to me

WHAD'YA SAY

Whad'ya say ...

Lady you're tyin' me down
Turning my heart to stone
And I can't help feeling
I'd be better off
Back out in the streets alone

Baby you're hurtin' me
Deserting me again
I looked for your loyalty
And found a fickle friend

We could try to get back
On the right track baby
Or leave it, just throw it away
We could pick it up, pack it up
Make up or break up
Let's try it again

Whad'ya say ...

Faced with this situation
There's two things we can do
A lot of it is up to us
But most of it's down to you

You know we
Shouldn't play with love
It's a dangerous thing to do
So let's not get agony
And ecstasy confused

We could try to get back
On the right track baby
Or leave it, just throw it away
We could pick it up, pack it up
Make up or break up
Let's try it again

Whad'ya say ..

We could try to get back
On the right track baby
Or leave it, just throw it away
We could pick it up, pack it up
Make up or break up
Let's try it again

Whad'ya say ..

SAVE IT

Save it, save it, save it all for me ...

Save it, save it
You've gotta save it all for me

Gonna take my heart and my soul
And lay it onto someone's daughter
Gonna give out all that I got
To the woman who sits by the water

Gonna spend the rest of my time
With the woman by the winding river
Gonna let her know
That I'll give her all
That I got forever and ever

She knows what I like
She knows what I need
And babe let me tell you
She'll give it all to me

Save it, save it, save it all for me ...

Save it, save it
You've gotta save it all for me

Gonna spend the rest of my time
With the woman by the winding river
Gonna let her know
That I'll give her all
That I got forever and ever

Gonna take my heart and my soul
And lay it onto someone's daughter
Gonna give out all that I got
To the woman who sits by the water

Save it, save it, save it all for me ...

LOVE OR NOTHING

La la la la ...
Gotta be love
Gotta be love or nothing

You gotta make up your mind
'Cause you're runnin' out of time
You know it's your game
And the winner takes all
It's time for you to realise
There's gonna be no compromise
It's gotta be love or nothing at all
Gotta be love or nothing

La la la la ...
It's gotta be love or nothing at all

I've thought about a new beginning
But you know your heart's not in it
There's something inside
That ain't hearing my call
And each new misty morning
Brings a constant warning
It's gotta be love or nothing at all

La la la la ...
It's gotta be love
Gotta be love or nothing
La la la la ...
You give me your love
Or nothing at all
La la la la ...
You give me your love
You give me your love

It's no good climbing
In the back seat
In the name of love
Or tryin' to be somebody
That you know you're not
Sneakin' out the back door
At the dead of night
'Cause you're never gonna find out
What it's really like

La la la la ...
It's gotta be love or nothing at all
La la la la ...
It's gotta be love
It's gotta be love or nothing
La la la la ...
It's gotta be love or nothing at all
It's gotta be love or nothing

I'M ALIVE

How strange when
You know the feeling
That something ain't right
You're fooled by the need of being
You're blind to the light

Don't ask where
The stranger leads you
He'll show you the way
Just go out and make your conquest
You've something to say

I'm alive, I'm alive and I'm me
I've just got to be free
I'm alive to the world

There's been so much
Bad time wasted
Just look and you'll see
We've got so much going for us
It's not just a dream

Let's look and we'll find the answers
To questions I've made
We'll reach out for new beginnings
Let love show the way

I'm alive, I'm alive and I'm me
I've just got to be free
I'm alive to the world

Let's leave our past behind
The love can make us blind
But now we know
That we're alive

I'm alive, I'm alive and I'm me
I've just got to be free
I'm alive to the world

I'm alive, I'm alive and I'm me
I've just got to be free
I'm alive to the world

I'm alive, I'm alive and I'm me
I've just got to be free
I'm alive to the world

I'm alive, I'm alive and I'm me
I've just got to be free
I'm alive to the world

FALLEN ANGEL

Fallen angel ...

Everyone I see reminds me of you
I keep turnin' round
Expectin' you to be there
I keep seein' our past
Through my looking glass
But fallen angel
Where are you now

Fallen angel ...

After all these years
I remember the tears
When we parted you said
Don't forget me
You were ridin' so high
Now they're passin' you by
Girl I've never forgot you
Please come and get me

Fallen angel ...

Livin' without you is
Hard enough anyway
But knowin' you're hurtin'
Makes it so much worse every day

I just wanna love you
Any way that I can
And watching you cry wasn't
Part of my plan

Fallen angel ...

Tell me how did it feel
In your promised land
That you chose as
Your pain and your pleasure
A temporary sanctuary
Oh fallen angel
I'm your real treasure

Fallen angel ...

I just wanna love you
Any way that I can
And watching you cry wasn't
Part of my plan

Fallen angel ...

ADDITIONAL SONGS:

GIMME LOVE

Released as a single b-side, included as a bonus track on remastered FALLEN ANGEL cd.

Love, love, love
I'm looking for love
Love, love, love

When I was only sixteen
Well, give it take a year or more
I've got to singing about
The life I've lead
And I threw it right out of the door

I've got to get some of
This heavy jive
That the old folks are talkin' about
So I strutted my stuff
To the local club
To see what I was leaving now

Looking for love, love, love
Looking, looking for love
Love, love, love

I took my seat at
The foot of the stage
And waited for the fun to begin
And there in the light
Stood this heavy chick
With the cutest babe
That I've ever seen

She smiled at me
She did her dance
Took me by surprise
The way she wiggled her hips
And she shook that ...
Right between the eyes

Looking for love, love, love
L.O.V.E., I'm looking for love
Love, love, love

After the show she came
And sat down
Said: Hi son, what's your name?
I said: Never mind that
Think about this:
Loving's the name of my game

She said: That's alright
But it'll cost you, son
I said: Tell me what's
The price of the day
She said: Twenty dime
And a wedding ring
And everything will be O.K.

Looking for love, love, love
I'm looking for love
Love, love, love
I'm looking

Looking for love
I'm looking for love
Looking for love, love, love
L.O.V.E. love, love, love
Gimme that, gimme that
Gimme gimme your love

CHEATER

Released as a single b-side, included as a bonus track on remastered FALLEN ANGEL cd.

Cheater, I know where you've been
 Cheater, your lies
 Can't hide your sin
 Cheater, don't ask me how I know
 Cheater, I guess it's time for you to go

I'm tired of chasing shadows
 So illusive in the night
 And your empty words
 That leave me high and dry
 Now the curtain's finally fallen

On this fantasy affair
 You've had me for the last time
 With your lies

Cheater, you're a cheater
 I know where you've been
 Cheater, your lies
 Can't hide your sin
 Cheater, don't ask me how I know
 Cheater, I guess it's time for you to go

The voices in the wind I heard
 Kept telling me to run
 Whispering a warning to my heart
 And the voices deep as thunder
 Tried to speak of things to come
 I was blinded then
 But now I see the light

Cheater, you're a cheater
 And I know where you've been
 Cheater, mean mistreater
 Your lies can't hide your sin
 Cheater, don't ask me how I know
 Cheater, I guess it's time
 For you to go

Cheater, I know where you've been
 Cheater, you're a cheater
 Cheater, you're a cheater
 Cheater, I know where you've been
 Cheater, you're a cheater
 Cheater, your lies can't hide your sin
 Cheater ...

A RIGHT TO LIVE

Out-take, released for the first time on A TIME OF REVELATION compilation. Included as a bonus track on remastered FALLEN ANGEL cd.

I must thank Lord
 In my hour of need
 I've given way to a better man
 But I ain't been free
 To push the hour here
 In this soul of mine
 I've burned my bridges
 And I'm satisfied

The preacher's due here
 In an hour or so
 To give me reasons for
 The things I know
 I might have been careless and I
 I might have been blind
 If I'm the guilty, I'm satisfied

Oh woman, why did you
 Do me wrong?
 Sending me down and
 I just can't get along
 When daybreak comes and
 I've reached the end of the line
 I have a right to live
 And I'm left to die

It all seems so hazy now
 It seems so long ago
 She hid the things she'd done
 Or things I should know
 What was I to do for
 The hurting here inside
 I kill for love but the ...

Oh woman, why did you
 Do me wrong?
 Sending me down and
 I just can't get along
 When daybreak comes and
 I've reached the end of the line
 I have a right to live
 And I'm left to die

Oh woman, why did you
 Do me wrong?
 Sending me down and
 I just can't get along
 When daybreak comes and
 I've reached the end of the line
 I have a right to live
 And I'm left to die

I have a right to live
 When I'm left to die
 Oh, woman
 I have a right to live
 But I'm left to die

"FIVE MILES SESSIONS" 1979

LET IT RIDE

Out-take from 1979 "FIVE MILES" sessions, released for the first time on A TIME OF REVELATION compilation.

Before I leave town today
 Well, there's something
 That I wanna say
 That you regret the stormy night
 You put your eyes on me

Well, you cheated on me
 And you lied
 And I must've had that
 A thousand times
 But I'll be comin' back one day
 Just you wait and see

Oh, yeah
 Let it ride, let it ride
 Let it slip, let it slide
 Ride the night away
 Let it ride, let it ride
 Let it slip, let it slide
 'Cause I'll be coming back to stay

This time you could've let me live
 But there's nothing more
 That I can give
 You've stolen every day in my life
 And then you threw it away

This train I'm gonna ride tonight
 Is gonna carry me
 Right out of your sight
 But I'll be comin' back some time
 And then you're gonna pay

Oh, yeah
 Let it ride, let it ride
 Let it slip, let it slide
 Ride the night away
 Let it ride, let it ride
 Let it slip, let it slide
 'Cause I'll be coming back to stay

Oh won't you take me tonight
 Won't you carry me right to the top
 Taking me higher
 You carry me through
 The things that you know
 To the end of the line
 How much higher?

The last lap is mine
 It's too long as they say
 You know it's just what will be
 As you're wavin' goodbye
 Keep rememberin' why
 The devil that got you was me

You're the city where
I wanted to be
But the lonely spell you put on me
It's time for you to realise
That there's just no way

This train I'm gonna ride tonight
Is gonna carry me
Right out of your sight
But I'll be comin' back some time
And then you're gonna pay

Oh, yeah
Let it ride, let it ride
Let it slip, let it slide
Ride the night away
Let it ride, let it ride
Let it slip, let it slide
'Cause I'll be coming back to stay

The last lap is mine
It's too long as they say
You know it's just what will be
As you're wavin' goodbye
Keep rememberin' why
The devil that got you was me

Let it ride, let it ride
Let it slip, let it slide
Ride the night away
Let it ride, let it ride
Let it slip, let it slide
'Cause I'll be coming back to stay

Let it ride, let it ride
Let it slip, let it slide
Ride the night away
Let it ride, let it ride
Let it slip, let it slide
'Cause I'll be coming back to stay

FEELINGS (vocals John Lawton)

Out-take from 1979 "FIVE MILES" sessions, released for the first time on A TIME OF REVELATION compilation.

Feelings, empty feelings
Prayin', hopin', needin'
Just when I wanted to hold you
You're leavin', you're leavin'
Leavin', leavin'

When we meet
Every night in the bar
If I'm feelin' alright
We'll get high in your car
Then come morning
And you will be gone
You're my five-minute friend
And you've gotta move on

And you don't stop me
Thinkin' my feelings
And I'm hidin' the hurtin' inside
And I know how you
Set my heart reelin'
As I see it and swallow my pride

Well, either you don't give a damn
Or you don't even care to pretend
Or you won't spare a thought
Though you know
It must come to an end

And I've got those feelings
Empty feelings
Prayin', hopin', needin'
Just when I wanted to hold you
You're leavin', you're leavin'
Leavin', leavin'

Feelings, empty feelings
Prayin', hopin', needin'
Just when I wanted to hold you
You're leavin', you're leavin'
Leavin', leavin'

YOUR LOVE

Out-take from 1979 "FIVE MILES" sessions, released for the first time on A TIME OF REVELATION compilation.

Your love
Your love
Your love

I've got to do it
Gotta find a direction in my life
You can't have me through it
I know that you do it
But it's my fight

Why don't you leave me alone
To drive down this windin' road
I'm alive
It just doesn't feel the same
For my love for you has changed

But your love
It never leaves me alone
For your love
Is in the world of its own
But your love
It never leaves me alone

You're sayin' that you need me
But the words don't come easy
Just hold on
I know that I lied
When I told you goodbye
Just keep hangin' on

Time won't keep waitin'
I've gotta do something with my life
You can't have me through it
But I know that do it
But it's my fight

Why don't you leave me alone
To drive down this windin' road
I'm alive
It just doesn't feel the same
For my love for you has changed

But your love
It never leaves me alone
For your love
Is in the world of its own
But your love
It never leaves me alone
But your love
It never leaves me alone

Your love
Your love
Your love
Your love
It never leaves me alone
For your love
Is in the world of its own
Your love
Never leaves me alone

BEEN HURT (vocals John Lawton)

Out-take from 1979 "FIVE MILES" sessions, released for the first time as a bonus track on remastered FALLEN ANGEL cd.

Whoah, don't you know
I've been hurt
Oh yeah, don't you know
I've been hurt
Oh babe, you know
You're doin' me wrong, yeah

At the age of eighteen
I had had enough
And by twenty one
I decided to get tough
And then I found the guard
Was still too rough

Oh yeah, I've been hurt
Ever since that day
I've been hurt
And I've lost my way
I still think I have a chance
To try your love

Well, I tried to love you
One day at a time
Each day waitin'
Hopin' for the sign
It was clear I needed luck
More than this time

Oh yeah, I've been hurt
Ever since that day
I've been hurt
And I've lost my way
I still think I have a chance
To make you mine

My empty heart is
 Countin' all the ways
 Fire and desire
 Sat and count the days
 Will you, won't you
 When and where
 Do you, don't you, do I care
 That same eternal question
 Is always there

Oh yeah, I've been hurt
 Ever since that day
 I've been hurt
 And I've lost my way
 I still think I have a chance
 To try your love

My empty heart is
 Countin' all the ways
 Fire and desire
 Sat and count the days
 Will you, won't you
 When and where
 Do you, don't you, do I care
 That same eternal question
 Is always there

Oh yeah, I've been hurt
 Ever since that day
 I've been hurt
 And I've lost my way
 I still think I have a chance
 To try your love

Oh, I've been hurt
 And ver since that day
 I've been hurt
 And I've lost my way
 I still think I have a chance
 To try your love

Oh yeah, I've been hurt
 Ever since that day
 I've been hurt
 And I've lost my way
 I still think I have a chance
 To try your love

I've been hurt
 And I've lost my way

I WON'T CHANGE

*Out-take from 1979 "FIVE MILES"
 sessions, released for the first time on
 CHAPTER & VERSE compilation.*

Don't keep me running around
 I'm trying to keep my feet on the ground
 Stop filling my heart with empty dreams
 'Cause deep down I'm a regular guy
 I laugh a lot but I know how to cry
 I don't wanna be anyone else but me

And I won't change
 I just try to stay the same
 And if you feel a difference
 It's in what you choose to see
 Some of those changes
 Were a little too hard for me
 So I pray my love will see me through

Next step isn't easy to find
 'Cause with all this love on my mind
 All that I can think about is you
 If all you're asking is a little more time
 If all you need is to make up your mind
 I can only remind you that I love you

And I won't change
 I just try to stay the same
 And if you feel a difference
 It's in what you choose to see
 Some of those changes
 Were a little too hard for me
 So I pray my love will see me through

All I ever think about is you

L.A. WOMAN

*Out-take from 1979 "FIVE MILES"
 sessions, released for the first time on
 CHAPTER & VERSE compilation.*

If this is where it's all they said
 You're such a silly girl
 Livin' high on the hill
 Stalkin' your crazy world

You never thought it would be like this
 You wanna run and hide
 Down in the backstreets
 Down on Rodeo Drive

You followed your wit
 Its tease and smile
 He said you'd be a star
 He was right, you were wrong
 Now look just where you are

The bedroom scene was your disgrace
 You ran away and cried
 Down in the back streets
 Down on Rodeo Drive

Got a high school education
 And it's drivin you insane
 You're a favourite of the nation
 Aren't you tired of playing
 The silly games

Got a nice girl reputation
 And you always aren't too sure
 You're a favourite of the nation
 Gotta stop doing things
 You thought you could

L.A. woman, what's on your mind
 Your friends have left you far behind
 L.A. woman, you've been blind
 So very blind

Got a high school education
 And it's drivin you insane
 You're a favourite of the nation
 Aren't you tired of playing
 The silly games

Got a nice girl reputation
 And you always aren't too sure
 You're a favourite of the nation
 Gotta stop doing things
 You thought you could

Got a high school education
 And it's drivin you insane
 You're a favourite of the nation
 Aren't you tired of playing
 The silly games
